Regardless of whether your grade point average is above 3.0 or not, please read the following three options carefully and choose *one*.

By checking here, I give the registrar permission to release my grade point average to the Sports Information Office if I or my team are eligible for postseason academic honors. I also give the Sports Information Office permission to release my Grade Point Average (GPA) in nominations for academic honors and to the media regarding such honors.

OR:

By checking here, I give the registrar permission to release my grade point average to the Sports Information Office, but I do not give the Sports Information Office permission to release my grade point average. **I understand that by choosing this option, I remain eligible for the Middle Atlantic/Commonwealth Conference academic honor roll, but my GPA will not be listed on the conference academic team lists and certificates. Also, I understand that choosing this option makes me ineligible for other honors such as the Academic All-America program, which require that the Sports Information Office releases an exact GPA to be nominated.**

OR:

By checking here, I do not give permission to the registrar to release my grade point average to the Sports Information Office. **I understand that, by choosing this option, I make myself ineligible for all academic awards.**
