

Homecoming 2002 PHYSICS AND ENGINEERING
October 19, 2002 – WE KNOW OF NINETEEN ALUMNI/AE WHO CAME – GREAT ATTENDANCE!

Physics and Engineering alumni seen on campus:

Harry Barnes harry.barnes@pfizer.com

Steve Werner swerner@hcssupport.com

Physics and Engineering alumni/ae who came to the department area: 3:00 PM – 4:45PM (WE WERE SO ENGROSSED IN DISCUSSION WITH EACH OTHER THAT WE INADVERTENTLY MISSED PROVOST MCALLISTER'S PRESENTATION ON THE SCIENCE/MATH/ENGINEERING CENTER (SMEC). WE DID HOWEVER DISCUSS THE SMEC.

John Batzer '00, Cmp E, john@johnbatzer.com 717-258-0541 web content manager at New Cumberland Army Depot, also teaching piano, will marry Duffy in December 2003

Ryan Renfrow '00 Egr Phys, renfrow@lucent.com 410-785-8792. Still at Lucent, not sure how much longer because of the difficulties Lucent is having (they have "reduced force" from well over 100,000 to about 30,000)

Tony Masimore '98 Egr, '99 PSU/H EE/Cmp E, Lockheed-Martin systems egr, Moorestown NJ (wife Chandra is also alum) tony.r.masimore@lmco.com 856-638-7070

Phil Karras '73, Physics (MA Phys, USC '76) wife Becky Poling Karras is also alum
ke3fl@yahoo.com 301-831-5073 software engineering consultant to Hughes Network Systems, recently published some small articles in Popular Communications and QST

Bruce Ryder '75 Physics, '?? MS EE Syracuse, Bruce.Ryder@agilent.com 302-633-8509 (work) IT Staff Agilent Technologies (formerly H-P), Mayor of Strasburg Borough (PA), two children at Shippensburg U.

Phil Speer '99 Egr pdspeer@innernet.net (?) 717-349-7275 PennDOT Engineering District 8 Traffic Engineering, just started Masters courses in Civil Egr at PSU/Harrisburg

Aybike Doganci '99 IE, aybikedoganci@hotmail.com 617-331-9239. Manufacturing Egr at Solectria Corporation, Woburn MA (components for electric cars). Planning to apply for masters program at MIT. Came with boyfriend Jimmy Croft (spelling?), who has doctorate in bio from Adelaide and is in post-doc research at Tufts.

Jodi Raffensberger '96 Egr, '97 PSU ChE jodiraff@aol.com 973-586-0453. Under Merck sponsorship, doing full-time PhD at Rutgers. Will marry Tim (DeMarco?) August 30, 2003. They have already bought a house in Rockaway (halfway between work for each) but Jodi still living in her Woodbridge apartment

Christopher Reed '02, Cmp E, reedcl@hotmail.com enlisted in Nuclear Navy, induction April 2003

Jared Williams '02, Cmp E, jedsmail@yahoo.com not yet fully employed

Troy Heagy '94 Egr, '96 PSU EE electrictroy@yahoo.com 410-638-7567, worked at L-M until he decided It wasn't interesting enough, then started doing contract work, last job in Salt Lake City with an "aircraft supplier"; is now taking a "vacation" for a few months. Still single. Three cars, latest is a Honda Insight (hybrid).

John Scarborough '97 Egr, '?? PSU Ag/Bio john.scarborough@netzero.com 410-838-2261. Sales Egr, All Attachments, Inc. design, sales, purchasing, plant ops. Also farming: beef/crop operation.

Rich Grant '72 degree in Math, but he did lots of physics, did grad work in CS at Rutgers, lives in Princeton area.

John Davis-Reinhold '72, Physics, grad work and/or MS at Bucknell in EE, davisreinhold@hotmail.com 301-694-6640 Fuel-management (ordering, billing, leak detection for 300+ companies incl MD State Police and MD Highway Dept)

Frank Hurley '62, Egr; '63 PSU Aero (Ranked 1st in class), PhD Rice. classa2000@aol.com 919-490-0533 (h); 919-549-4322 (w); Wife unable to attend, attending uncle's funeral in Germany (she is German). Eight years at McDonnell St Louis; Director of Research General Dynamics (F-16); Deputy Chief Scientist

NASA, then to government service in 1985: US Army Research Office. Chief of Mobility Technology. In charge of various Army-wide R&D. two daughters, first born in 1980 (just before Frank's 40th b'day).

Woody Kerkeslager '62 Egr, '63 (?) PSU EE (ranked 1st in class), MBA U Chicago. Long illustrious career with ATT Bell Labs; managed the interconnections with MCI/Sprint; toward end of career very involved with Congress on international trade issues. Retired in '8 and partnering with wife Ruth (retired ATT VP Strategy) in consulting with universities on technology.

WOODY RECOMMENDS WE BE IN TOUCH WITH DAVID WORMLEY (DEAN COLLEGE OF EGR PSU)
TO DISCUSS FORMATION OF ALUMNI ADVISORY COUNCIL

Jeff Jefferies '92 Egr, '?? PSU IE, jefferiesRC@att.net 301-972-6622 Project Mgr, Titan Systems (US Govt contractor in northern VA)
