Petition for Early Participation in Commencement
Please return this form to Registration & Records Office by March 1st

To be eligible for this privilege, students must have at least a 2.0 grade point average in both their major and overall at the time of the ceremony and have no more than 8 credit hours of course work remaining. There are no exceptions to these conditions. Early participants in commencement march with their class, have their name listed in the official program, and are called to the platform for recognition as a member of the graduating class. **Students who are approved for Early Participation are *NOT* considered graduates of the College until all graduation requirements have been successfully completed and the diploma awarded.** Note: Approval is conditional; it assumes you will successfully complete all course work currently on your schedule. If you drop a course or do not successfully complete a course, then your status as an early participant can change.

Graduation Ceremony Year (Please circle one): 2010 2011 2012 2013

Name: _____ Box # _____
(please print)

ID #_____ Email address: _____

Majors: _____ _____
Primary Secondary

Minors: _____

Remaining requirements after the spring semester:

Course Prefix & Number	Credits	Where Course Will be Completed	Completion Date
1.			
2.			

Note: Students planning to transfer credits to Elizabethtown College to complete their requirements must complete an Off-Campus Approval Form, which is available from the Registration and Records website or office.

Are there any other requirements or any additional factors pertaining to your petition for early participation that should be considered? Please describe: _____
