Please complete both sides of this form and submit it along with your application for admission. Thank you.

Name: _____

High School: _____

I will: live on campus commute from home

My religious affiliation is: _____ (optional)

List the names and relationships of relatives, friends or teachers who attended or are now attending Elizabethtown College:

How did you first learn about Elizabethtown College?

I have also applied to the following colleges:

I would like to be considered for the following program(s):

- Elizabethtown College Honors Program, sponsored by The Hershey Company
- Pre-Medical Primary Care Program in affiliation with the Pennsylvania State University College of Medicine
- Doctor of Physical Therapy (DPT) in affiliation with Thomas Jefferson University
- Occupational Therapy (OT)

Standardized Test Waiver Option

Elizabethtown College values a strong high school record, complete with a challenging curriculum and consistently strong grades relative to your peers. For students who have demonstrated excellence during their four years of high school, Elizabethtown offers the opportunity to waive standardized testing from the application and scholarship review process.

If you fall into either category below and believe your standardized test scores do not reflect the same level of achievement or aptitude as the rest of your application, you will likely benefit from this waiver.

- I rank in the top 10% of my high school class, and I would like to waive standardized testing from my application and scholarship review.
- My high school does not rank, and I have a 3.5 GPA (on a 4.0 scale); I would like to waive standardized testing from my application and scholarship review.

Students applying to specialized programs (Honors Program, Primary Care Program, DPT) are still required to submit standardized testing for review by those programs.

Please check your area of academic interest. If you check more than one area, indicate which is your first choice.

Majors

- Accounting B.S.
- Actuarial Science B.S.
- Biochemistry B.S.
- Biology B.S.
- Biotechnology B.S.
- Business Administration B.S.
- Chemistry B.S.
