

FIRST YEAR STUDENT ADVISING SHEET

Major: German (Modern Languages)

First Semester (according to placement exam):

German 111, 112, 211 or 300

Second Semester:

German 112, 212 or 300

NOTES:

1. All students with more than two years of German must take the online language placement exam (www.etown.edu/modernlanguages) before registering in a language course for academic credit, unless the student begins a new language. Students are not allowed to take Ger 111 if they have completed high school level 3 or higher.
2. To fulfill the major, students must complete 35 hours above the 112 level.
3. Majors are required to take Ger 211, 212, and two 300 level courses (preferably before going abroad), plus a 4-credit senior research project (Ger 496/7).
4. A minimum of 15 credits in the major language must be taken in an approved study abroad program, preferably during junior year. Specific course requirements to be taken abroad are outlined on the language check sheet. Majors must spend two semesters abroad. However, in exceptional circumstances, as specified in the college catalogue, double-majors may apply for a substitution of one semester abroad.
5. By the end of the final semester, students must receive an oral proficiency rating of advanced.

Please visit the department website for more information on language placement (www.etown.edu/modernlanguages).

Students interested in German should contact Dr. Mark Harman at harmanm@etown.edu
