NOTES:

1. * The order of these courses can be reversed, depending on availability.
2. PSY105 and SO101 fulfill the Social Science Core requirement; PH115 fulfills the Humanities Core requirement.
3. SO101 should be taken before SO216 and SO218, which should be taken during the sophomore year. Currently, only one of these courses (either SO 216 or SO 218) is required for the major. However, it is highly recommended that CJ majors take both courses.
4. The CJ major requires MA 251, Probability and Statistics, which should be taken during the sophomore year. MA 251 also fulfills the mathematics core requirement.

Students interested in Sociology / Anthropology or Criminal Justice should contact Dr. Elizabeth Newell, Department Chair, Nicarry Hall 227, extension 1309 or newellea@etown.edu.
