NOTES:

1. MU 150 Professional Seminar and MU 100 Repertoire Class are required each semester.
2. Proficiency in Piano, Voice and Guitar is required. If piano or organ is the primary instrument, the student must take MU 269 (piano lessons) **or** MU 270 (organ lessons), **and** MU 111 (Voice Class) for the fall semester. All other music therapy students must take MU 117, piano class.
3. Five credits in ensemble are required; need to be enrolled for one credit in fall semester.
4. Students interested in Concert Choir must audition.
5. Other departmental requirements can be found in the Music Department Handbook for students.
6. A minimum grade of C- is required in all courses required for the major.
7. Students in music therapy can take their creative expression requirements as Applied lessons or Ensembles.
8. All first year students are to enroll in MU 100B in the fall semester.
9. MU 211 & MU 212 count for Western Cultural Heritage Core. PSY 105 counts as a Social Science Core. Please note: MA 251 counts for Math Core and Music Therapy Majors satisfy their Natural and Physical Science Core with the combination of two biology offerings; BIO 101 or 111 and BIO 201.
10. Music Therapy students need to stay on track with their courses.

Students interested in Music Therapy should contact the Fine and Performing Arts Department, Zug Memorial Hall, extension 1212.
