Make checks payable to **Elizabethtown College**. Electronic check and credit card payments (Visa, American Express, MasterCard, and Discover) may be made online at www.etown.edu/businessoffice.

*Deductions for PLUS loans, Private loans, outside scholarships, and TuitionPay payment plans should be made on this worksheet only if they are **not** already listed on the invoice.

** In order to remove the insurance charge, the online insurance waiver form must be completed at www.firststudent.com or www.etown.edu/businessoffice. International students may not opt out of the health insurance plan.

PLEASE MAKE COPY FOR YOUR RECORDS! RETURN ORIGINAL TO BUSINESS OFFICE!

REMITTANCE WORKSHEET INSTRUCTIONS

Please locate the enclosed invoice and your financial aid award letter. The invoice shows your comprehensive fee for the **fall** semester. The comprehensive fee **does not** include such items as overload credits, directed studies and other items noted as additional fees in the annual expense information. A link to this information is available via the Business Office website www.etown.edu/businessoffice. The invoice also lists anticipated credits for the institutional, federal and state aid itemized on your most recent financial aid award letter.

The **BALANCE DUE** on your invoice is carried forward to your remittance worksheet at point **(A)**. The remittance worksheet is used to list additional credits (if applicable) that are **NOT** listed on your invoice. Always return a copy of your remittance worksheet each semester.

LINE #1 - OUTSIDE SCHOLARSHIPS AND PRIVATE LOANS

Awards from private organizations may be disbursed in one or two installments. You will need to check with your source for the amount of the credit to take for the fall semester. If you have not already done so, please send a copy of the outside scholarship notification to the College.

In most cases, your federal loans (Direct Stafford, Direct PLUS) have already been listed on your invoice. An origination fee has been deducted from your federal loans. (Typically 4.288% for PLUS and 1.072% for Direct Stafford). **PRIVATE loans** from outside sources may be deducted at Line #1.

LOAN DISBURSEMENT INFORMATION

Most educational loans are made co-payable to both the student/parent and the College and funds are mailed or wired directly to the College. For a full-year loan, one-half will be disbursed in the fall and one-half in January.

LINE #2 – TUITION PLAN MONTHLY PAYMENT PLAN

If you have contracted with Higher One (formerly Sallie Mae) TuitionPay to help budget your personal payments over time, you may deduct one-half of your annual contract for the 2014-2015 academic year, regardless of your actual amount paid to date. Adjustments to contract credit amounts will be made by the College on your student account as changes to your total contract occur.

LINE #3 - OTHER AID/CREDIT

Sometimes there will be instances of late notification of institutional, state or federal awards that have not been verified at the time of your billing, and therefore not listed as credits on this invoice. If you receive a new financial aid award letter after our invoice, you may write-in those **approved** additional credits, detailing the type of award and fall amount.

You may also claim credit on line #3 for the deletion of additional fees such as horsemanship, skiing, lifesaving, scuba, studio art fees or bowling, new insurance charges, recent payments or other pending credits. Please itemize any deductions taken.

LINE #4 - ADDITIONAL CHARGES TO BE ADDED TO INVOICE

Please use this space to add in any additional charges. If you want to change your meal plan or order additional Jay Bucks, please note the change on line #4. You would also use this space to add the cost for private music lessons, special course fees, etc.

BALANCE DUE

Please add together all credits for lines #1 through #3. Enter the total on the remittance worksheet at point **(B)**. Subtract total **(B)** from total **(A)**. Add in any charges from line #4 to get your **BALANCE DUE**.
