

A GUIDE TO ELIZABETHTOWN COLLEGE'S CAREER SERVICES

Employers, community organizations, parents, alumni and mentors partner to

Help Blue Jays Fly!

We're preparing students for career success... and YOU can help!

Career Services is dedicated to providing our students and alumni with a wide range of opportunities, information and resources related to career development and exploration. We invite employers, community organizations, parents, alumni and mentors to get involved. Here are a few ways you can help:

CAREER EXPLORATION

- » Invite a student to your work site for a half or full day job shadow experience.
- » Host a group of students at your location for professional development.
- » Hold workshops or participate in panel discussions on career-related topics.
- » Accept requests from students for informational interviews about your career field.

CAREER PREPARATION

- » Give a presentation to students on a professional skills topic.
- » Conduct mock interviews or review resumes of students preparing for a job or internship search.

NETWORKING & HIRING

- » Participate in networking events with students.
- » Mentor a student.
- » Assist a student in exploring internship or employment opportunities within your organization.
- » Attend campus career and internship fairs.
- » Conduct interviews on campus.
- » Promote open internship and job openings by posting on Jobs 4 Jays, our internal career network.

If you or your organization would like to get involved, visit our website for upcoming events, more details and contact information:

Academics at E-town

Elizabethtown College academics are rooted in the liberal arts and sciences. Students not only gain the skills and knowledge to pursue their area of interest but also develop the critical-thinking, writing and communication skills desired by employers. Real-world learning opportunities and the College's motto, "educate for service," round out an Elizabethtown education.

50

Majors

Elizabethtown College offers Bachelor of Science (B.S.), Bachelor of Arts (B.A.) or Bachelor of Music (B.M.) degrees in more than 50 majors, many of which offer specific concentrations. A master's degree in occupational therapy also is offered.
