

IMPORTANT ANNOUNCEMENT FOR THE 2015 TAX YEAR

In January 2016, you may receive a new tax form called the 1095.

The 1095 will contain detailed information about health care coverage.

You will need the form to file your 2015 tax return.

The IRS will use the information you report from your 1095 to determine whether you will pay a penalty for failing to have health coverage as required by the Affordable Care Act, also called Obamacare.

For questions, contact Brenda Spiker at x1183. You may also visit www.irs.gov or www.mytaxform.com to learn more.
