

October is Domestic Violence Awareness Month. As part of our campus-wide Red Flag Campaign (www.redflagcampaign.org), we are offering free Red Flag Bouquets for faculty/staff/offices to display during the month of October. The Red Flag Campaign is a public awareness campaign designed to address dating violence and promote the prevention of dating violence on college campuses. The bouquets have been created by the Student Wellness Advocacy Group and will be delivered to your office by October 3rd and picked up at the end of the month. To participate, you only need a small space on your desk to display the bouquet and to complete the form found here:
