

Scheduling Protocol Brossman Commons Tables

Individual students may not schedule events in 25Live. Only student groups who have been approved by Student Senate are permitted to schedule a space via the 25Live scheduling website. Campus departments and approved student groups shall submit a request at: http://schedule.etown.edu.

This protocol has been developed to better organize the delivery and identification of tables to four locations in the Brossman Commons, and ensures that Facilities Management receives confirmation of table reservations and will be able to document delivery, setup, and removal schedules in 25Live.
