

# Gift Boxes

We can help make your Blue Jay's day with a custom gift box specially designed with college students' favorite treats included. We offer several different options of balloon bouquets and gift boxes – see below for suggestions to help get you started. Blank message cards are included with each purchase so you can let your student know just how much you're thinking of them.

Once ordered, your Blue Jay will receive a pick-up slip in their campus mailbox to let them know there's a package waiting for them. All orders for special delivery dates, such as birthdays, "Get Well" and "Thinking of You" should be received three (3) business days in advance for guaranteed delivery on the requested date. Holiday and Final Exam gift boxes will be delivered in a timely fashion for the occasion. Food allergies? Consider a balloon bouquet to brighten their day!
