

Second-Year **PATHWAY**

ETOWN
ELIZABETHTOWN COLLEGE

etown.edu

All students in their second year at Etown, regardless of credits earned, can use this pathway to successfully navigate their second year. Complete the milestones, reflect with someone about the questions, and find support for continuing your college journey.

Welcome Back Dinner

During your first week on campus, reconnect with your peers and refocus on your strengths as you prepare for the year ahead.

Career Action Plan

Each second-year student has the opportunity to engage in Level 2 of the Career Action Plan, which is all about exploring your interests, passions, and career goals.

Mentors on Purpose

Connect with a mentor from our staff and faculty to help you navigate your future with a sense of purpose. Most mentoring partners meet monthly.

Blue Jay Touchpoints

Revisit academic objectives, and touch base with campus support systems to stay motivated and on track for the remainder of your Blue Jay journey.

Majors, Minors, and Signature Learning Experiences Fair

Consider exploring new academic opportunities or continue the path you've already begun. Make connections with faculty who will support you on your path.

Emergent Scholars

Join us in celebration of our high achieving students as we recognize the culmination of your first two years, as well as honor the role of your mentors in your success.
