

Bowers Center Reopening Policies and Procedures-Spring 2021

Building

- The Bowers Center will be open to students only during the Spring 2021 semester.
- Some areas/features of the building may not be available. Administration will continuously monitor guidelines and communicate any changes.
- Masks will be required at all times.
- Building and Fitness Center hours will be modified to allow for additional cleaning.
- Increased cleaning will be enforced throughout the building.
- Equipment/furniture will be removed to account for social distancing.
- Different traffic patterns will occur throughout the building.
- Max capacities to the building and rooms will be applied.
- No guests will be permitted.
- Programs will be offered virtually in addition to in-person with restrictions.

Demonstration Kitchen/SWAG/Health Promotion

- Events will be held at a smaller capacity. Food sharing will not be permitted.
- The Relaxation Room can be reserved for singular use through The Well. The room will be deep cleaned upon completion of session.
- Students can still get supplies from The Well reception desk. Capacity and programs will be limited inside The Well.

Fitness Center

- Students will be required to sign up in advance to use the fitness center using IMLeagues.com/etown.
- Some equipment will be removed/taken out of rotation to increase social distancing (ex: cardio equipment, strength equipment).
- Equipment check out, lockers and functional fitness equipment will be reintroduced beginning April 5.
- The locker/changing room area will be limited to 4 people at one time.

Group Fitness

- Group Fitness class capacities will be reduced and virtual options will be available.
- Additional time will be added in between classes for supplementary cleaning.

Intramurals

- Intramurals will occur in a smaller capacity. Large team sports will not be played.

Open Recreation/Field House

- Open recreation will be limited. No game play.
- Equipment check out will be available starting April 5.
