Inglennook is a start-up located in Lancaster at 2300 Columbia Avenue. We are building a community of businesses broadly having to do with home, garden and lifestyle. This winter we would like to launch a directory of vetted tradesmen, a more personal and local version of Angie's List.

We hope to find an intern for 10 hours per week for 6 weeks starting in the new year at $10 per hour.

Job Description would include

- Compile a list of tradesmen.
- Create a survey to solicit feedback on these businesses.
- Sell participation in directory to selected tradesmen.
- Market final product.
