**ParenteBeard Wealth Management LLC** is a SEC registered Investment Advisory firm. We provide investment management and comprehensive financial planning services to clients, including business retirement solutions.

We are seeking an Intern to work directly with our team in the Lancaster, PA office. The Intern will support the Wealth Management team as needed on various assignments and projects. The assignments can include providing investment due diligence support, entering financial planning inputs and completion of investment performance reporting. The candidate will need to have a strong attention to detail with very good communication skills and be able to work in a fast paced environment. All tasks performed are computer driven. The candidate will need to possess strong technology skills and be a quick study to learn industry specific software systems and programs.

Successful candidates will be pursuing a **Bachelor's Degree in Finance** and have successfully completed core fundamental investment and finance courses. The candidate will ideally be in their **Junior or Senior** year of college. It would be beneficial if they have Bloomberg terminal experience. Recent college graduates with a similar background will also be considered. This internship is scheduled to run from late December/early January to May, so the candidate must be local to Lancaster, PA for that entire period of time. A valid driver's license is required.
