	Where will I find a <u>comprehensive undergraduate accredited business program</u> within a liberal arts curriculum: <u>over 65 business courses</u> taught by <u>14 full-time faculty</u> and <u>an executive in residence</u> ?
	Where will I have all classes taught by <u>experienced</u> , <u>highly qualified</u> , <u>diverse</u> , <u>and dedicated</u> faculty members (not teaching assistants or graduate students)?
	Which college provides a <u>solid background</u> in accounting, economics, finance, international business, management, and marketing?
	Where will I receive the best <u>personal attention, assistance, and networking opportunities</u> from faculty members, business persons, and alumni?
	Which college provides a <u>business mentor</u> , internships, study abroad experiences, collaborative student-faculty research opportunities, and student clubs to broaden and augment my learning experience?
	Which school has a modern state-of-the-art facility with the latest technology to enhance my education?
	Where is it more likely that I will <u>complete my education</u> with an International Business Major and even another major, minor or an extra concentration in <u>4 years</u> instead of 5 or 6 years? ²
	Which school has the <u>best group of students</u> in the International Business Major (in terms of <u>quality and diversity</u>) to provide an excellent learning environment?
	Which school has the highest job placement rate for its International Business graduates?
	In conclusion, where will I receive the best preparation for a <u>career in international business</u> and the <u>greatest return</u> for the amount invested in my college education?

A better college education is likely to lead to higher salaries. Even an additional \$1,000 per year will result in a total increase of \$154,762 over 40 years.

The loss of a year's earnings (\$40,000) will translate into a loss of \$411,428 over 40 years. (Calculations assume 6% rate of interest.)
