FROM AMERICAN UNIVERSITY

PROGRAM OVERVIEW

American University's Kogod School of Business Master of Science in Finance (MSF) Program prepares students for successful careers in finance through a rigorous and intellectually stimulating curriculum, exposure to distinguished faculty, and tailored career development services. The MSF is designed for students who want to become highly skilled professionals in the globalized market. Students will be ready to compete, succeed, and lead in the rapidly changing world of finance. Our illustrious faculty members have enjoyed successful careers with Deutsche Bank, the U.S. Commodity Futures Trading Commission, the Securities and Exchange Commission, the Federal Reserve, and the World Bank, among other organizations.
