Your 2027-2028 Free Application for Federal Student Aid (FAFSA) was selected for review in a process called verification. The law states that before awarding Federal Student Aid, we are required to verify your identity.

Instructions: You must complete the Identity Verification in front of a member of the Elizabethtown College Office of Financial Aid or a Notary. If you choose to complete these sections in front of a Notary, please contact our office for the necessary form.

To complete identity verification, a student must present an unexpired, valid, government-issued photo identification such as a U.S. passport, a driver's license, or other state-issued ID.

The institution will maintain a copy of the student's photo ID that is annotated by the institution with the date it was received and reviewed, and the name of the official at the institution authorized to receive and review the student's ID.

DO NOT complete these sections without a member of the Financial Aid Staff present.

Identity Verification (To be Completed at the Institution)

- ☐ The student appeared in person and presented acceptable identification to an institutionally authorized individual.
- ☐ The student was unable to appear in-person and provided the institution with a copy of the acceptable identification presented to a notary and a signed notary statement.
