Professional Judgment Appeal Form

Student's Printed Name _____

Student's ID# _____

Elizabethtown College recognizes that standard financial aid forms do not always capture the full financial profile of our students and their families. Through the use of Professional Judgment (PJ), the Financial Aid Office may be able to make adjustments to your FAFSA which could result in a recalculation of aid eligibility. All PJ requests are reviewed to determine if a student qualifies for an adjustment to their financial aid eligibility status. Please note that Professional Judgment requests will be processed with the understanding that it is the responsibility of the student to utilize all federal financial aid sources made available to them. Please review the options below and check all circumstances that apply. Please submit this form and all required documents through our Secure Document Upload. If you have questions do not hesitate to contact the Financial Aid Office.
