

Where to get your COVID-19 Vaccine

WellSpan Health is currently administering the Pfizer BioNTech, Moderna and Johnson & Johnson (Janssen) vaccines. Based on allocation and inventory, we cannot guarantee availability of a particular brand at all locations.

✓ SCHEDULE A COVID-19 VACCINE THROUGH MYWELLSPAN

We encourage all individuals to create a MyWellSpan account to make the appointment scheduling process easier during this time of high demand for the COVID-19 vaccine. Visit wellspan.org/covid19 for details.

You can schedule a vaccination appointment using your [MyWellSpan account](#). You can also use your MyWellSpan account to prepare for your appointment with eCheck-in, to schedule an appointment for your second vaccine dose, and to access your vaccination record.

- Click 'Appointments'
- Click 'Schedule an Appointment'
- Click 'COVID-19 Vaccine – First Dose'
- Answer the questions. If you are eligible and appointments are available, you will be able to schedule a vaccination. If appointments are not currently available, complete the questionnaire and you will be notified when appointments become available to you (based on eligibility and vaccine supply). Notifications will be made to those who submitted the interest form in the order received. It may be several weeks until you receive a notification.

✓ SCHEDULE ONLINE WITHOUT A MYWELLSPAN ACCOUNT

Patients who do not have a MyWellSpan account, can [schedule online as a guest](#).

✓ SCHEDULE BY PHONE WITH WELLSPAN

Patients can also schedule through the COVID-19 Hotline: **(855) 851-3641**.

✓ WALK-IN OR SCHEDULE AT A RETAIL PHARMACY

You can visit [Vaccines.gov](https://www.vaccines.gov); text your zip code to 438829 (GETVAX); call 1-800-232-0233; or check your state health department website. Visit [How Do I Get a COVID-19 Vaccine](#) to learn more.

Individuals interested in getting vaccinated at their local pharmacy should check the pharmacy's website to find out if the COVID-19 vaccine is available. Most pharmacy locations are now offering walk-in vaccination appointments as supply allows.
