

## **Full-time Faculty**

The Physician Assistant Program at Elizabethtown College invites applications for a full-time Faculty to begin July 1, 2019.

This position will be a lecturer to tenure track principal faculty member of the Elizabethtown College Physician Assistant Program. The full-time faculty member's primary responsibility will be to teach graduate level coursework during the didactic year of the program. This person, however, will be fully integrated into the clinical year of the program and will provide instruction in all phases of the program. The position will also require a commitment to both departmental and institutional service.

### **Qualified applicants will be committed to:**

- Teach graduate Physician Assistant courses in the classroom and laboratories
- Assist the Program Director in the organization, administration, continuous and periodic review, planning, development and general effectiveness of the PA program
- Develop, maintain, implement, oversee, evaluate, and ensure adequacy and appropriateness of all didactic courses to ensure that they are in accordance with the ARC-PA standards
- Participate in the accreditation process and assist in preparations for ARC-PA site visits
- Review all course syllabi from and with didactic instructors
- Evaluate student performance and competencies during the didactic and clinical years
- Participate in developing, reviewing, and revising as necessary the mission statement for the program
- Participate in selecting applicants for admission to the PA program
- Serve as an academic advisor to assist students in curriculum and career planning
- Provide and maintain a reliable schedule of office hours for student advising, remediation, and consultation
- Schedule and assist with student remediation as needed
- Participate in ongoing evaluation of the PA program
- Participate in service, professional development, and scholarly activities
- Assist in recruitment of student through Admission events

### **Required Qualifications:**

- Graduate of ARC-PA accredited program or other associated accredited program specific to applicant's discipline
- Current NCCPA certification or current certification per applicant's discipline
- Master's degree in Physician Assistant studies or related field  
OR a bachelor's degree with a formal education plan to complete a master's degree
- Eligible for licensure in Pennsylvania
- At least three years or more of clinical experience

### **Preferred Qualifications:**

- Prior teaching experience in physician assistant education
- We are especially interested in applicants with diverse backgrounds and experiences and in applicants with a commitment to creating inclusive learning environments.
