I. HISTORY AND MISSION OF THE COLLEGE

History and Development
Founded in 1899, Elizabethtown College is a centennial college, one of dozens founded in the 19th century by churches or church members for the educational advancement of their denominations. Elizabethtown’s heritage lies with the Church of the Brethren, one of three historic peace churches, along with the Quakers and Mennonites.

During its first two decades, the College functioned both as a college and an academy for high-school-age students to bolster its program in teacher training. By the end of the 1920s, Elizabethtown enrolled 180 full-time students and 300 part-time students in 11 major programs: history, English, modern languages, business, mathematics, education, sociology, biology, chemistry, music, and Bible studies.

Student life outside the classroom soon blossomed: a literary society was formed in 1920; the Alma Mater was composed by Jennie Via for a quartet of her music students; the Etownian yearbook was first published in 1922; the men’s and women’s intercollegiate debating society began in 1925; a small student orchestra appeared in 1927; men’s and women’s basketball and men’s baseball teams began competing toward the end of the decade; and the Sock & Buskin drama club’s first performance was produced in 1930.

By 1948, the College’s advancement was recognized by accreditation in the Middle States Association and, in the following year, by acceptance in the American Council of Education. In 1950, Elizabethtown embarked on an ambitious fund-raising program to increase the endowment and build much-needed facilities to accommodate a rapidly expanding student body, which by 1958, had grown to almost 800. The library was moved from the first floor of Rider Hall to Zug Memorial Library, which was completed in 1950. In the following two decades, the College dedicated 10 new buildings, including several residence halls, Baugher Student Center, Nicarry Hall, and Thompson Gymnasium.

In the past five decades, Elizabethtown College has continued its spectacular growth. Today, the College offers not only 53 major programs of study, but also more than 60 minors. The student body stands at 1,950 with a full-time faculty of 131 men and women.

The appearance of the campus is vastly changing. In 1989, the Rufus P. Bucher Meetinghouse and Young Center for Anabaptist and Pietist Groups, an internationally renowned center for scholarly research, was opened on the shores of Lake Placid. The High Library opened in 1990, allowing Zug Memorial Hall to be transformed into a performing and fine arts teaching center. The Schreiber Quadrangle, built in 1992, provides opportunities for 120 seniors to experience independent living. A two-building, garden-style apartment complex for students, named after the late professor and Dean of Women, Vera Hackman ’25, was completed in July 2002. Leffler Chapel and Performance Center, built for concerts, lectures, religious services, conferences, and dramatic presentations, was completed in 1995. The Brossman Commons, a $12-million expansion of student-centered facilities, conjoining the Baugher Student Center and the Annenberg Center, was completed and dedicated in 2002.

A master land use and facilities plan calls for continued dramatic campus enhancements for the better part of the next decade. The James B. Hoover Center for Business, which houses the Department of Business, S. Dale High Center for Family Business and Edward R. Murphy Center for Continuing Education and Distance Learning, opened its doors in fall 2006. The Masters Center for Science, Mathematics and Engineering will be completed in fall 2008. The Masters project renovated more than 95,000 square feet in Esbenshade and Musser halls and provides an additional 33,000 square feet of science classroom and laboratory space in the new Lyet Wing for Biological Sciences.

The Kevin Scott Boyd ’98 Baseball Stadium opened for the 2004 season and an expansion of the Thompson Gymnasium facility currently underway will provide space for classes, varsity and intramural sports activities, coaches’ offices, a commons area (The Jaywalk) for students and a Hall of Fame.

Mission
Molded by a commitment to “Educate for Service,” Elizabethtown College is a community of learners dedicated to educating students intellectually, socially, and ethically for lives of service and leadership as citizens of the world.

The board has final legislative authority in all matters pertaining to purpose of the College and the policies for fulfilling the statement of purpose.

Among the board’s primary functions are selecting the president of the College, developing and sustaining the philosophy and policies of the College, setting the costs of tuition and fees, adopting the annual budget, and approving plans for developing and maintaining the physical plant.

The Board of Trustees may consist of as many as forty-two (42) voting members but not less than thirty (30). Employee Status

Your employment status is determined by the number of hours you are scheduled to work and the duration of your position. The principal categories are:

Introductory Period: All newly hired staff and administrative employees will undergo an introductory period. Introductory employees are those whose performance is being evaluated to determine whether further employment in a specific position or with Elizabethtown College is appropriate. Based on an individual's full-time or part-time benefit eligibility, individuals in the introductory period will be eligible for benefits, but will not be considered for regular employment until successful completion of the introductory period. Individuals will not receive an annual increase until after completing their introductory period. At all times, before and after the introductory period, employees remain at-will (see Disciplinary Action and Termination Policy).

The introductory period for all new staff and administrative employees will be six months. A three month introductory period will apply for all employees transferring to another position within the College. Employees must complete their introductory period before they can apply for another job on campus unless they are transferring within their current department.

Full-time Employee: An employee placed in a regular full-time position, working 9 - 12 months, who is assigned at least 37.5 hours per week during a calendar or academic year will be eligible for benefits relative to his/her hourly or salary status and subject to plan documents.

Part-time Employee: An employee placed in a regular part-time position, working less than 37.5 hours per week during a calendar year will be eligible for most benefits relative to his/her hourly or salary status and subject to plan documents. An employee working less than 20 hours a week year round (or less than the equivalent of 1040 hours a year) will not be eligible for benefits.

Temporary/On-Call Employee: An employee placed in a temporary or on-call position to temporarily replace a full-time or part-time employee will not be eligible for benefits. However, full-time, temporary employees hired on a one-year basis or longer are eligible for medical insurance, dental insurance, vision discount plan, vacation and sick time (which will not accrue beyond one-year allotments), and holiday pay.

II. EMPLOYMENT POLICIES

Standards of Conduct Policy

This policy establishes general standards of conduct that protect the interests and safety of all students, employees, and guests of the College. At all times, employees are to exemplify personal integrity, honesty, respect, and self-control with their actions. The conduct of employees has a direct bearing on their immediate work environment, the College Community and the general public opinion of the College. Therefore it is imperative that employees conduct themselves in a manner that will withstand the sharpest scrutiny. This will require employees to exercise a high degree of personal responsibility and sound judgment. Employees are expected to respect the rights of others and conduct themselves in a professional and businesslike manner at all times.

While the final decision concerning an individual’s personal conduct is made by the individual, acts of willful unethical or illegal actions by an employee will not be tolerated. Instances of unacceptable conduct or unsatisfactory performance including, but not limited to, fraudulent or egregious acts, neglect of duty, illegal or immoral conduct on or off the College premises which would bring unfavorable attention to the College, or personal conduct that negatively affects the work environment, serious violations of any College policy or procedure, are grounds for termination.

In accepting employment at Elizabethtown College all employees will be held by these standards.

Examples of behavior that would violate Elizabethtown College’s Standards of Conduct Policy include, but are not limited to, the following:

1. Threatening or committing acts of violence or intimidation.
2. Concealing, falsifying, altering, misusing or removing records, including electronic records.
3. Theft of property.
4. Willful damage, abuse, or destruction of College property or the property of others.
5. Direct or indirect use or misuse of College resources for unofficial or illegal purposes. Such resources include, but are not limited to, College funds and facilities, mail services, supplies, equipment, as well as College computers, networks, email, voice mail and all or other communication resources, credit cards and purchasing authority.
6. Unauthorized possession, sale, or use of intoxicating beverages or drugs on College property, and/or reporting for work under the influence of intoxicating beverages or drugs, or other violations of the College’s Drug-free Workplace Policy.

Individuals wishing to report violations or suspected violations may do so in writing by sending a sealed envelope marked “Open By Addressee Only” to the Director of Human Resources. Any individual who in good faith reports a violation or suspected violation will not be subjected to retaliation, adverse employment or academic or educational consequence.

The Director of Human Resources will inform and consult with the President and/or Provost as necessary concerning the reported violation or suspected violation so that an internal investigation can be conducted. The President and/or Provost will determine the investigation process. A confidential
notification will be sent to the reporting individual that the matter is being investigated, unless the report was submitted anonymously. Upon completion of the investigation, the Director of Human Resources will promptly render a report concerning the violation and what remedial action should be taken to rectify the situation.

An employee found in violation of the Standards of Conduct policy may file a written appeal to the President within 10 working days from the date of the decision letter. Within 5 working days from the receipt of the appeal, the President will convene an ad hoc appellate committee of three individuals from the campus community to review the appeal. The appellate committee will review the appeal and render a final decision to the President and the employee within 5 working days.

At all times the confidentiality of names of individuals involved in the reporting, investigation, or appeal process will be adhered to by all parties.

The Director of Human Resources will maintain a file for the purposes of documenting the resolution to reported violations or suspected violations.

**ECHotline Policy**

The ECHotline is accessible 24/7 and is an easy and secure method of reporting. It is not a general complaint hotline. The ECHotline is a confidential toll-free and web-assisted reporting method for students and employees to report known or suspected misconduct or violations outside of current normal reporting procedures. More information about this policy can be found on the Human Resources website.

**Policies Addressing Commitment to Inclusive Excellence, Equal Employment Opportunity/Affirmative Action, Title IX and Americans With Disabilities Act (ADA)**

**Commitment to Inclusive Excellence**

Elizabethtown College is committed to valuing and fostering the diversity reflected in our life together and in the world beyond our campus. We strive to ensure that the members of the community—students, faculty, staff, and administrators—are diverse in race, ethnicity, sexual orientation, socioeconomic status, religion, ability, gender, gender identity and expression, age and national origin. We also seek to provide our community members, especially our students, with educational opportunities, programs, and services that are multicultural in content and expressive of a diverse life of experiences and worldviews that underrepresented groups bring to the learning environment.

The College’s commitment to maintaining and growing a diverse community of education is an integral part of principled efforts to achieve academic excellence and to educate our students for service to humanity and the world.

The College’s commitment to Inclusive Excellence affirms the following three principles:

- Inclusive Excellence in our educational life promotes learning and academic excellence. One of the most significant practices required for achieving academic excellence is direct engagement with multiple sources of knowledge, worldviews, experiences, and skills. A truly liberal—and excellent—education is neither parochial in content nor singular in perspective but comprehensive in its attention to the rich facts, insights, and attributes of our diverse social world.

- Inclusive Excellence in our social life prepares us to participate in a global community. Familiarity with the diverse identities, beliefs, and practices found in our global community provides a strong foundation for undertaking effective and constructive work in the world beyond our campus. We serve our community
members well not by creating a campus marked by uniformity and unanimity but by offering them the social diversity that is characteristic of our increasingly interdependent world.

- Inclusive Excellence in our campus life models our institutional commitment to social justice, human dignity, and peace. By becoming a diverse community, we provide access and equal opportunities for individuals and communities who have long been excluded from mainstream society. And this allows us to create the understanding of difference that is required for building a just and peaceful world.

**Policy on Equal Opportunity/ Affirmative Action**

The College is committed to ensuring equal opportunity in all employment decisions, policies, and practices, and in educational programs and activities. In keeping with the historical values of Elizabethtown College, the College endeavors to treat all employees with dignity, justice, and fairness. The College strives to provide equal opportunity and an atmosphere free of discrimination.

Elizabethtown College does not discriminate on the basis of gender, race, color, religion, age, disability, marital status, pregnancy, veteran status, national or ethnic origin, ancestry, sexual orientation, gender identity and expression, genetic information, possession of a general education development certificate as compared to a high school diploma, or any other legally protected status. This commitment applies but is not limited, to decisions made with respect to hiring and promotion, in the administration of its educational policies, scholarship and loan programs, and athletic or other College administered programs. Discriminatory acts of any kind are strictly forbidden.

This policy reaffirms Elizabethtown College’s commitment to equal employment opportunity and will administer its personnel policies and conduct its employment practices in a manner which treats each employee and applicant for employment on the basis of qualification, experience, ability and other work-related criteria without regard to the above underlined class categories or any other legally protected status under relevant federal, state or local laws.

Elizabethtown College is committed to making a good faith effort to meet its goals in practicing equal employment opportunity and affirmative action according to the law. These goals are to ensure that commitment is manifested in all aspects of employment including advertisement, recruitment, hiring, promotion, demotion, transfer, tenure, compensation, and training. In addition, the College is committed to making a good faith effort to ensure all students are assured access to educational opportunities, financial assistance, and social and recreational programs.

The College will actively identify and recruit qualified minorities, women, individuals with disabilities, and veteran candidates, and acquaint them with available positions, and encourage them to apply for employment. The College will include among their recruiting sources of advertising for open positions those sources specializing in affirmative action for placement. The College’s Affirmative Action/Equal Opportunity statement will be placed on all employment advertisements. Human Resources will serve in an advisory capacity for hiring purposes and will assist selection committees to identify these sources and ensure affirmative action objectives are met.

The Director of Human Resources serves as the College’s Affirmative Action Officer (AAO) and has the responsibility to develop and monitor affirmative action and other equal employment opportunity programs. Management personnel at every level including vice presidents, deans, directors, chairs, and supervisors must share in the responsibility for promoting affirmative action and equal employment opportunity to ensure that compliance is achieved.
Anyone desiring information regarding the Elizabethtown College’s Affirmative Action Program may contact the Human Resources Office at One Alpha Drive, Elizabethtown College, 717-361-1406 or HR@etown.edu.

**Title IX**

In compliance with Title IX of the Education Amendments Act of 1972, Elizabethtown College works to ensure that "no person shall...on the basis of sex, be excluded from participation in, denied benefits of, or be subjected to discrimination under any education program or activity receiving Federal financial assistance.” The College’s policy on Title IX can be found in the Student Handbook.

**Americans with Disabilities Act**

Elizabethtown College will endeavor to make reasonable accommodations for the known physical or mental disabilities of an otherwise qualified individual (as those terms defined in the American with Disabilities Act) unless undue hardship will result. It is the College's policy not to assume that an individual has a disability or needs an accommodation. If an individual with a disability believes he/she requires an accommodation, he/she is encouraged to request a reasonable accommodation. The College can work with him/her in an effort to enable the individual to perform the essential functions of the job effectively. Reasonable accommodation forms can be located in the Human Resources Office or on the HR Intranet (www.etown.edu/humanresources). Employees and the College will undertake an interactive process to determine whether a reasonable accommodation may exist.

**Policy Against Discrimination, Harassment, and Bullying**

In keeping with the historical values of Elizabethtown College, the College endeavors to treat all employees with dignity, justice, and fairness. Elizabethtown College does not tolerate discrimination or harassment of any kind, or bullying against any member of the Elizabethtown College community. The College is committed to the existence of a respectful, safe, and healthy work and learning environment and will ensure that federal and state laws, as well as College regulations prohibiting violence and discrimination, are fully enforced.

This policy is to be implemented throughout the College and is the responsibility of all departments and personnel, supervisory and nonsupervisory. Failure to abide by this policy shall result in disciplinary action, up to and including immediate termination of employment. Further, threatening, violent, discriminatory, or harassing conduct is subject to expulsion from the College or possible civil or criminal prosecution.

Any employee or student of the College who believes he/she is being subjected to conduct that violates this policy, including any discrimination, harassment (sexual or other discriminatory harassment) or bullying is encouraged to report the situation in accordance with the reporting procedures set forth below.
Discrimination
Elizabethtown College does not discriminate on the basis of gender, race, color, religion, creed, age, marital status, disability, military membership or veteran status, national or ethnic origin, ancestry, sexual orientation, gender identity and expression, possession of a general education development certificate as compared to a high school diploma, political ideology, genetic information, pregnancy, citizenship or any other trait or characteristic protected by any applicable federal, state and local law or ordinance. Discrimination or harassment of any kind is strictly forbidden.

Harassment
The College defines harassment as any behavior, verbal or physical, which creates an intimidating, hostile or offensive work, learning, or living environment, particularly if questionable behavior is repeated and/or if it continues after the offending party is informed of the objectionable and/or inappropriate nature of the behavior, and which is based on individual characteristics including gender, race, color, religion, age, disability, veteran status, national or ethnic origin, ancestry, sexual orientation, gender identity and expression or any other legally protected status.

Definitions:
Examples of the most common types of harassment include but are not limited to:

- **Verbal harassment**, such as jokes, epithets, slurs, negative stereotyping, and unwelcome or patronizing remarks about an individual’s body, color, physical characteristics, or appearance.

- **Physical harassment**, such as physical interference with normal work, impeding or blocking movements, assault, unwelcome physical contact, staring at a person’s body, or threatening, intimidating, or hostile acts that relate to a protected characteristic.

- **Visual harassment**, such as offensive or obscene photographs, calendars, posters, e-mails, cards, cartoons, drawings and gestures, display of lewd objects, unwelcome notes or letters, or any written, electronic, or graphic material that denigrates or shows hostility or aversion toward an individual.

- **Sexual harassment**, which is specifically defined as sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature or conduct directed toward another person because of his/her gender where:
  - Submission to such conduct is made -- either implicitly or explicitly -- a term or condition of a person’s academic or employment status;
  - Such behavior has the purpose or effect of substantially interfering with the individual’s academic or work performance or creating an intimidating, hostile or offensive classroom or working or academic environment; or
  - Submission to or rejection of such conduct by an individual is used as a basis for decisions affecting the individual.

- **Sexual violence**, including physical sexual acts perpetrated against a person’s will or where a person is incapable of giving consent due to the victim’s use of drugs or alcohol or due to an intellectual or other disability.

- **Gender-based harassment**, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on sex or sex stereotyping, even if these acts do not involve conduct of a sexual nature.

Bullying
The College is committed to the elimination of all forms of bullying and will ensure that procedures exist to allow complaints of bullying to be dealt with and resolved without limiting any person’s entitlement to pursue resolution of their complaint within the relevant statutory authority.
Definitions:
Bullying is unwelcome or unreasonable behavior that demeans, intimidates, or humiliates people either as individuals or as a group. Bullying behavior is often persistent and part of a pattern, but it can also occur as a single incident. It is usually carried out by an individual but can also be an aspect of group behavior. Context is important in understanding bullying, particularly verbal communication. There is a difference between friendly banter exchanged by colleagues and comments that are meant to be, or are taken as, demeaning.

Mobbing is a particular type of bullying behavior carried out by a group rather than by an individual. Mobbing is the bullying or social isolation of a person through collective unjustified accusations, humiliation, general harassment, or emotional abuse. Although it is group behavior, specific incidents such as an insult or a practical joke may be carried out by an individual as part of mobbing behavior.

Bullying is unacceptable behavior because it breaches principles of equality and fairness, and it frequently represents an abuse of power and authority. It also has potential consequences for everyone involved.

Reporting Procedures for Discrimination, Harassment, and Bullying
Any employee who believes he/she is being subjected to discrimination, harassment (sexual or other discriminatory harassment) or bullying shall report the situation to his/her supervisor or the Director of Human Resources. A complaint should be made in writing whenever possible, including as much information as possible, such as details of the alleged incident, dates, names of those involved in the harassment, any physical evidence that may exist, and the names of any individuals who may have observed or witnessed the conduct.

Any employee who witnesses, receives a complaint, or otherwise learns of conduct that is in violation of the policies related to discrimination, harassment, or bullying is required to refer the matter to his/her supervisor or the Director of Human Resources. Any incident or complaint involving a student should be reported to the Dean of Students.

The College will act promptly and appropriately upon any information that it obtains which indicates that any violation of this policy has taken place. Prompt and appropriate action will be taken pending an investigation to ensure that any prohibited conduct that might exist does not continue.

Informal Resolution
It may be possible and appropriate to resolve the reported offense informally. The supervisor, in consultation with the Director of Human Resources will document the complaint and informal steps taken to resolve the concern. Documentation falling under the Informal Resolution process will remain in a separate file in the Director of Human Resources office and not placed in the respondent’s personnel file. This information will be used to monitor repeated complaints within the same department or involving the same individual. Should additional complaints be received, the Director of Human Resources will move the complaint and documentation to the Formal Resolution process.

Formal Resolution
If, for any reason, the matter cannot be resolved as described above, or a complainant chooses the formal resolution, the complainant will state the specific allegations in writing so that an investigation can be initiated by the Director of Human Resources or assigned neutral designee. The Director of Human Resources or assigned neutral designee will then promptly coordinate a complete investigation into the complaint.
The Director of Human Resources or assigned neutral designee will decide whether the complaint warrants:

a. Further investigation by the College or, if criminal behavior has been discovered, by law enforcement.

b. Dismissal of the charges if unsubstantiated with communication of the outcome to the accused and the complainant as well as a letter in the accused’s file regarding the outcome of the investigation.

c. Affirmation of the allegations with recommendations for appropriate disciplinary action. Notification verbally and in writing to the employee as to the findings of the investigation and applicable sanctions as determined by the Senior Staff officer for that area in consultation with the Director of Human Resources. A letter outlining the offenses and actions taken will be placed in the employee’s personnel file.

Recommended disciplinary action will be determined on a case-by-case basis and will be determined by the frequency and severity of the violation.

Should either the complainant or the employee disagree with the outcome of the investigation, an ad hoc Peer Relations Review Committee of three employees chosen by the Dean of Faculty (concerning faculty complaints) or the Provost/Senior Vice President and Vice President for Administration (concerning staff and administration complaints) will be established. The Peer Relations Review Committee will conduct an independent investigation and make a recommendation as to the results of the Committee’s investigation. The Dean of Faculty, Provost/Senior Vice President, and the Vice President for Administration, as appropriate to the case, will then make a final determination and action.

An employee found to have violated the College’s policies against discrimination, harassment, and bullying may be subject to disciplinary action up to and including termination or release.

**Retaliation**

The College will not retaliate, nor will it tolerate retaliation, against any employee or student who, in good faith, reports or makes a complaint of discrimination, harassment, or bullying in the workplace or classroom, or who participates in an investigation into the same. Following the resolution of any complaint, the employee or student should continue to keep the College informed if the harassment persists.

No individual will be subject to disciplinary action for submitting a good faith report of a policy violation. However, any claims of prohibited conduct that are found to be deliberately false will be investigated and the complainant may be subject to disciplinary action. Anyone who believes that she/he has been the subject of a false allegation may meet with his/her supervisor or the Director of Human Resources to discuss the allegations.

**Confidentiality**

The College shall maintain confidentiality to the extent possible within the requirements of conducting reasonable and complete investigations. To the extent possible, only those who have a need to know will be told the identity of the parties to a complaint. In certain circumstances, however, the investigation may disclose the identity of those individuals who claim to have been harassed and/or others involved.

In some instances, a reporting party may ask to take no action or to defer action until a later date in order to maintain anonymity. In these instances, the College reserves the right to limited disclosure and to take appropriate action in order to...
complete its investigation and to ensure the safety and well-being of other members of the College community.

**The College as Complainant**
The College reserves the right to investigate allegations of prohibited conduct in appropriate circumstances even in the absence of a complaint from a member of the College community. Results of any investigation involving prohibited conduct will be documented and coordinated through Human Resources and in cases involving students the Office of Student Rights and Responsibilities.

**Workplace Violence Policy**
Elizabethtown College is concerned and committed to the safety, security, and general well-being of its employees, students, and visitors to the campus. The College will not tolerate any type of violence in the workplace and will make every effort to prevent violent incidents from taking place. Threats, verbal or physical, threatening behavior, acts of violence, or any related conduct while on the College's premises or while conducting official business for the College are strictly prohibited.

The College will respond promptly and decisively to violence, threatening behavior, and harassment on campus. Any act of misconduct will be investigated and appropriate action taken, which may include disciplinary action, termination of employment, arrest, and prosecution. Violence in the workplace may appear in different forms and can include direct or indirect threatening, verbal and physical assaults, domestic disputes, sabotage or behavior that disrupts and creates a hostile work environment. Unauthorized possession or use of firearms, or other dangerous weapons is prohibited. Dangerous weapons are any item used or could be used with the intent to cause harm, threaten, or intimidate.

**Reporting Procedures**
- a. Employees who either experience or observe an act of violence or threat of violence must immediately report the incident to Campus Security by calling Extension 1111. Do not place yourself in peril.
- b. Campus Security will notify the police department when appropriate for incidents of workplace violence involving firearms, bodily harm, and domestic disputes.
- c. Investigation of reported incidents of workplace violence shall be conducted by Campus Security in conjunction with the Director of Human Resources. The investigation shall be conducted on an immediate, priority basis, following emergency medical care if needed. Each incident will be evaluated and an appropriate remedy will be provided based on the nature of the offense, duration, totality of circumstance and past offenses.

**Whistleblower Policy**
Elizabethtown College is committed to the highest standards of all business practices. This policy is created to enable all employees of the College to report concerns about possible business or financial misconduct, with the reassurance they will be protected from any retaliation for acting in good faith. For the purpose of this policy, misconduct may include, but is not limited to:

- Theft of cash or College property
- Misappropriation of College funds
- Falsification of accounting or financial records, including accounting omissions
- Misappropriation of grant funds
- Inappropriate authorization, allocation or spending of College funds
- Falsification of reported work hours (including student employees)
- Kickbacks
When making a good faith report, the reporter will not be subject to retaliation by the College. To file a report under this policy, an employee may do so via telephone or in person during regular operating hours or by mail to the Director of Human Resources or the College President. By telephone one could report anonymously through the ECHotline, 855-696-1899. If reporting in house the employee will need to submit in writing a report relative to the business or financial misconduct. A good faith report should contain factual information, dates, names, locations, and any other information to warrant an investigation. Contact information of the individual submitting the report should also be included. Confidentiality of the reporter will be maintained to the extent practicable by law and the legitimate needs of the investigation.

Upon receipt of the report explaining the business or financial misconduct, an investigation will ensue promptly. Any employee found to have engaged in business or financial misconduct will be subject to disciplinary action up to and including immediate termination of employment and prosecution by the appropriate law enforcement authorities.

If the reporter experiences any retaliation from the individual wrongdoer(s), it should be immediately reported to the Director of Human Resources.

Employees found to have made knowingly false or misleading reports will be subject to disciplinary action including possible termination of employment.

Reports of business or financial misconduct by a student will be turned over to the Dean of Students.

**Conflict of Interest Policy**

Employees are charged to act on behalf of the College and in support of its mission and should avoid any actual or perceived conflict of interest. In their capacity as employees, they are expected to hold the interests of the College paramount. An apparent conflict of interest arises when an employee is in a position to influence the College's decisions in ways that could lead to personal financial gain or other advantage for the employee or the employee's immediate family or associates.

Employees are expected to disclose potential conflicts of interest. They should identify in writing any such conflicts to the Director of Human Resources prior to engaging in the activity that poses the potential conflict. If a conflict of interest is found to exist involving an employee, the employee involved should avoid the potential conflict and/or excuse him/herself from participation in decisions on behalf of the College that affect the employee's personal interests.

**Policy Prohibiting Consensual Relationships with Students**

Dating, romantic, or sexual relations between College employees (faculty, staff, and administrators) and students, even if consensual, can negatively affect the educational environment for students, and are therefore not permitted. Members of the faculty and staff are expected to maintain professional relations with all students, act in accordance with standards of professional conduct and avoid conflicts of interest, favoritism, bias, or creation of a hostile environment for students.

A consensual romantic and/or sexual relationship between an employee and a student enrolled at the College can compromise professional standards and expose both the employees and the College to claims of harassment or unlawful discrimination – for example, from the student involved or from other students who allege they are disadvantaged because of the employee’s unprofessional relationship with one of their peers.
Accordingly, the College prohibits consensual romantic and/or sexual relationships between employees (faculty, staff, or administrators) and students. An employee found to be engaged in a romantic and/or sexual relationship with a student will be subject to disciplinary action up to and including dismissal or release.

An employee may eliminate exposure to possible disciplinary action and potential legal liability by not entering into a romantic and/or sexual relationship with a student, by terminating the relationship, or by exploring other remedies with the appropriate Dean or College official. If necessary, the College may take action to terminate any supervisory or educational relationship between an employee and a student who are in a romantic and/or sexual relationship, pending resolution of any violation of this policy.

Entering into a romantic and/or sexual relationship with any student is outside the bounds of an employee’s assigned duties, and he/she may not be eligible for the College’s liability insurance protection should he/she incur civil or criminal liability as a result of his/her actions.

Employees who are married to or are a domestic partner of a student (as defined under the Domestic Partnership Benefits) are exempt from this policy. In situations where such a pre-existing relationship exists, the individual with the supervisory, teaching, advisory or evaluative position over the student must inform his/her supervisor, Chair, Dean, or the Director of Human Resources of the conflict of interest immediately. Necessary steps will be taken to resolve the conflict and eliminate any appearance of favoritism or advantage and/or inconsistencies with any other College policies.

**Recruitment Policy**

This policy is designed to assist departments in hiring the most qualified and effective candidates. In filling vacancies, the College seeks to strike a balance between attracting new talent from outside the organization, supporting current employees in their attempts to progress in their careers at Elizabethtown and increasing diversity in the work force. Recruitment and selection of candidates for all position on campus shall be in compliance with the Colleges policy on Non-Discrimination and Affirmative Action.

When a position becomes vacant, the following policies will be observed:

- Examination by the Hiring and Compensation Review Committee (HCRC) to ensure that the position’s continuation is warranted.

- Hiring activity will be coordinated through Human Resources (HR) and must be approved by HCRC. The position must be funded in the year it will be filled.

- Competition may be limited to internal candidates if Human Resources (HR) certifies that there are a minimum of two qualified in house employees.

- Selecting officials or Search Committees must interview a minimum of two candidates.

- Temporary employees may apply for campus vacancies but they will be considered external candidates.

- A position requisition form must be completed for all open positions. The form must be accompanied by an updated job description.

- All open positions must be advertised on the Human Resources bulletin board and web site for a minimum of 5 business days before the position is filled. HR
may extend the advertising period or use additional advertising venues to ensure adequate competition and an appropriate pool of candidates.

All candidates for positions are to be treated equally and fairly in searches. Interviews for any position are to be offered to candidates only on the basis of qualifications and merit. This policy will be communicated to and observed by all search committees and any manager or supervisor carrying out a search.

**Background Checks**

Effective July 1, 2007, it is the policy of Elizabethtown College to conduct a background check on all individuals beginning their employment with the College. The background search may include criminal history, education credentials, driving records, and credit history. All background checks will be coordinated through Human Resources.

New employees will be asked to sign a release form allowing the College to conduct the background check. Results will be kept confidential and will not be disclosed except to the extent necessary to administer and enforce this policy or pursuant to appropriate legal action. Continued employment with the College is contingent upon acceptable results as determined by the College.

**Motor Vehicle Record Checks**

Employees who are required to drive College vehicles as part of their job must have their Motor Vehicle Record (MVR) checked by Human Resources. The employee will be required to complete an MVR Release Form authorizing the College to run their MVR. The MVR must pass the College’s MVR Rating System in order to be approved to drive College vehicles. MVRs will be re-run every two years. To view the policy in its entirety, please visit www.etown.edu/safety and click on “Mobile Equipment Policy.”

**Performance Appraisals**

Performance appraisals can be found on the HR website and completed appraisals are maintained in the employee’s personnel file. Supervisors will be asked to complete an introductory evaluation on a new employee’s performance during the employee’s introductory period.

All staff and administrative employees will undergo a formal performance appraisal and self-appraisal (if required) at least once a year. The performance appraisal process is tied to the College’s compensation program. At a conference between the employee and the supervisor, the supervisor will evaluate the employee on job expectations and identify areas where the employee is or is not meeting those expectations. Goals are formulated with the employee to guide his or her job performance.

Special Situations: The supervisor should immediately schedule a conference with the employee concerning any unsatisfactory work performance. A written performance improvement plan outlining the areas for improvement and a defined timeline will be given to the employee.

**Resignation Policy**

Administrative employees are expected to give three weeks’ notice prior to leaving the College’s employment. Staff employees are expected to give two weeks’ notice. However, whenever possible, more advance notice is preferable, particularly if an employee is retiring. *All resignations must be submitted in writing* to the employee’s immediate supervisor and to Human Resources. Supervisors must notify Human Resources whenever an employee ends their employment with the College.

Employees resigning from the College shall receive their accrued unused vacation within their last pay, pending no outstanding charges. The College does
not pay unused sick leave to employees terminating employment. Employees will be required to return all keys, uniforms, ID card, laptop, cell phone, or other items belonging to the College, and employee handbooks prior to their departure from the College. If these items are not returned, the employee will be charged for the unreturned College property.

**Exit Interviews**

Upon an employee's departure from the College, Human Resources will contact the employee to schedule an exit interview. At this interview a Human Resources Representative will discuss with the employee benefit options, outstanding College charges, and other matters relevant to his/her departure. Employees will also have an opportunity to discuss any matters of concern while they were employed with the College. An exit form will be provided to each departing employee for additional comments.

**Disciplinary Action and Termination Policy**

According to the Pennsylvania Employment At Will Doctrine, administrative and staff employees are employed on an "At Will" basis (unless the employee is working under a defined contract). This means that the employee or the College can terminate the employment relationship at any time, for any or no reason, with or without notice (this includes during probationary periods).

Disciplinary action may take place in one or more of the following forms: verbal or written warning, letter of reprimand (with or without probation), withholding salary increases, demotion, suspension, or termination.

Discipline matters include, but are not limited to, violation(s) of any Department or College policy or procedure, excessive absenteeism, inappropriate behavior, unsatisfactory work performance.

For matters of unsatisfactory work performance, the supervisor and the employee shall meet to discuss the problem(s) and develop a written plan for performance improvement. The supervisor may decide to place the employee on probation for a period of time. Within an agreed upon period of time, the supervisor and the employee shall meet again to discuss the employee's progress. The supervisor may consider it necessary to monitor the employee's performance over a period of several months. If no improvement in performance can be identified, the supervisor may decide to release the employee from employment or provide the employee with a letter of reprimand or final warning.

The College reserves the right to bypass one or more steps of the discipline process for unsatisfactory work performance at its sole discretion.

**Immediate Termination**

An employee may be immediately terminated from employment without prior warnings for serious offenses such as insubordination, assault or fighting, theft, willful destruction of College property, and including, but not limited to, deliberate or serious violation of a College rule, policy, or procedure.

**Appeal Process for Immediate Terminations.** The appeal should be in writing and submitted within two weeks from the employee's termination date to his/her respective Vice President or Dean. This process is applicable only to situations of immediate termination.

**Nepotism**

Elizabethtown College seeks to employ faculty, staff, and administrators who can best achieve its mission and so does not prohibit members of the same family from being employed at the College. At the same time, we recognize the sensitive nature of having family members employed by the same employer. Careful measures are taken to avoid situations where the possibility of favoritism or conflicts of interest might exist. Individuals will not be employed in a situation
where a relative can directly influence another relative’s career, pay, or employment status.

**Confidentiality**

The College often gathers information relative to applicants, students and employees during the course of business. Employees are prohibited from sharing confidential information to other employees or students except for those employees who would otherwise have a *legitimate need-to-know* such information. Students and employees may be asked to sign a confidentiality statement pertaining to their work area and the disclosure of confidential information.

**FERPA**

All employees may have access to student records which contain individually identifiable information, the disclosure of which is prohibited by FERPA. The willful or intentional disclosure of this information to any unauthorized person could subject employees to criminal and civil penalties imposed by the law; it also violates the College’s policy and will result in disciplinary action, up to and including termination. A copy of the guidelines for compliance with FERPA is available in the Registration & Records office.

**Intellectual Property Policy and Procedures**

Intellectual Property Policy. College Works are created by an employee either patentable or copyrightable (except those created outside of regular work hours and not using college resources) and are owned by the College.

Ownership of Sponsored Works (sponsored by external grants/contracts or by the College) will be determined by the applicable terms of the funding agreement.

Procedures for Patents. Once an employee has developed what they believe to be patentable subject matter, employee must prepare an invention disclosure and arrange to meet with the Executive Director of the Office of Sponsored Research and Programs to discuss the invention.

For a period of 90 (ninety) days following the meeting, the College shall have the right, but not duty, to determine if the College will collaborate with the employee in securing intellectual property protection. If the College fails to exercise this right within the 90 day period, all rights are retained by the employee and any right the College may have had are extinguished.

If the employee and College determine that they wish to protect the patentable intellectual property, the College will pay the fees and expenses associated with such patenting and the inventors will be required to assign the invention to the College.

Any payments to the College received from assignment or licensing of the invention will be handled as follows:

- Any revenue derived from the property will be used to reimburse the College’s expenses used to obtain (and maintain) the protection.
- Once these expenses have been paid in full then any remaining money from the initial payment and later received payments will be divided evenly (50/50) between the College and the employee (unless other terms have been agreed upon in advance).
- Unless other terms have been agreed upon in advance, of the 50% of the net revenue that will be retained by the College, 75% of that money would go directly to the College (unrestricted annual fund) and the remaining 25% would go to the employee’s academic or administrative department(s) to support research, teaching and/or programmatic budgets.
**Alcohol and Drug-Free Workplace**

As required by the Federal Drug-Free Workplace Act, Elizabethtown College is obligated to provide a drug-free, safe, healthful, and secure workplace for employees. In turn, our employees are expected to arrive for work in proper mental and physical condition. The College has a zero tolerance policy for disruptive behavior, unsafe conditions, or unsatisfactory work performance resulting from alcohol or drug use. Violations of this policy will result in disciplinary action, up to and including termination of employment, or referral for prosecution or other legal consequences.

The College prohibits the unlawful sale, manufacture, distribution, use, dispensation, or possession of a controlled substance on college property or while conducting college business off of the premises.

**FEDERAL & STATE PENALTIES**

Under the Federal Controlled Substance Act and Pennsylvania state laws, individuals face penalties for unlawful sale, manufacturing, distribution, use and possession of controlled substances. The penalties vary based on the type of drug involved, possession and intent to distribute. Federal law sets penalties for the first offense ranging from one year to life imprisonment and/or $100,000 to $4 million in fines. Penalties may include forfeiture of property, including vehicles used to possess, transport or conceal a controlled substance or denial of federal benefits such as student loans and professional licenses. Convictions under state law may be misdemeanor or felony crimes, with sanctions ranging from six months to life imprisonment and/or $250 to a $100,000 in fines.

Federal law holds that any person, who distributes, possesses with intent to distribute, or manufactures a controlled substance in, or within one thousand feet of an educational facility is subject to a doubling of the applicable maximum punishments and fines. A similar state law carries sanctions of up to five years imprisonment and up to a $100,000 fine for similar violations.

**HEALTH RISKS**

**Alcohol**: Consumption can result in serious health problems and significant changes in behavior. Low to moderate consumption of alcohol impairs speech, coordination, decision making and judgment and to drive a car safely. Moderate to high doses of alcohol significantly severely impair a person’s higher mental functioning, coordination, driving ability, and a person’s ability to learn and remember. Very high doses of alcohol can cause respiratory depression and death. Low doses of alcohol when combined with other depressants of the central nervous system will also produce these effects. Prolonged heavy alcohol use may lead to abuse and dependency, which often causes permanent damage to the vital organs.

**OTHER DRUGS**

**Cannabis (such as marijuana, hashish)**: The use of marijuana may impair or reduce short-term memory and comprehension, alter sense of time, reduce coordination and energy level, and cause paranoia. Users often have lowered immune system functioning and an increased risk of lung cancer. The active ingredient in marijuana, THC, is stored in the fatty tissues of the brain and reproductive system for a minimum of 28 to 30 days.

**Depressants (such as barbiturates, methaqualone)**: Use of depressants can cause slurred speech and disorientation. Overdose may result in shallow breathing, clammy skin, dilated pupils, rapid pulse, coma, and possibly death.

**Hallucinogens (such as LSD, mescaline, PCP)**: Lysergic acid (LSD), mescaline, and psilocybin cause illusions and hallucinations. The user may experience panic, confusion, suspicion, anxiety, and loss of control. Delayed...
effects, or flashbacks, can occur even when use has ceased. Phencyclidine (PCP) affects the section of the brain that controls the intellect and keeps instincts in check. Because the drug blocks pain receptors, PCP episodes may result in self-inflicted injuries. Overdose can lead to psychosis and possibly death.

**Narcotics (such as heroin, opium, morphine, codeine, methadone):** Heroin is an opiate drug that causes the body to have diminished pain reactions. The use of heroin can result in coma or death due to a reduction in heart rate. Use of narcotics may cause drowsiness, respiratory depression, and nausea. Overdose may lead to shallow breathing, convulsions, coma, and possibly death.

**Stimulants (such as cocaine/crack, amphetamines):** Cocaine users often have a stuffy, runny nose and may have a perforated nasal septum. The immediate effects of cocaine use include dilated pupils and elevated blood pressure, heart rate, respiratory rate, and body temperature, followed by depression. Crack, or freebase rock cocaine, is extremely addictive and can cause delirium, hallucinations, blurred vision, severe chest pain, muscle spasms, convulsions, and even death. Amphetamines can cause a rapid or irregular heartbeat, tremors, loss of coordination, collapse, and death. Heavy users are prone to irrational acts. An overdose of stimulants may cause agitation, hallucinations, convulsions, and possibly death. Members of the faculty and professional staff should contact their health care provider for additional information regarding the health risks associated with alcohol and drug use.

**CONCLUSION**
The College recognizes drug and alcohol abuse not only as a likely health, safety, and security problem, but as an illness and major health problem. Therefore, any employee having a drug and/or alcohol dependency is encouraged to seek help. Such employees will be required to participate in a rehabilitation program approved for such purposes by a federal, state, or local agency. Any employee seeking such help will not receive any type of reprimand, nor will it be recorded in the employee's personnel record, as long as such employee seeks help before being disciplined for violation of this policy.

All employees, as a condition of employment, must comply with this policy and must also report any criminal drug or alcohol conviction to the College Human Resources Office within 5 days after the conviction. This includes any drug or alcohol violation occurring on or off college premises while conducting college business. An employee violating this policy or convicted of a criminal drug offense occurring in the workplace is subjected to appropriate personnel action, up to and including termination, or satisfactory participation in a drug rehabilitation program.

Smoke-Free Workplace
On February 21, 1989, the Pennsylvania Clean Indoor Air Act went into effect. Effective September 1, 1990, Elizabethtown College became a smoke-free workplace.

As of September 11, 2008, the Pennsylvania Clean Indoor Air Act bans smoking in workplaces and public places, defined as an enclosed area which serves as a workplace, commercial establishment, or an area where the public is invited or permitted.
Elizabethtown College is dedicated to providing a healthy, comfortable and productive work environment for employees. The campus is a smoke-free workplace. Smoking and the use of tobacco in any form is prohibited in all facilities of Elizabethtown College at all locations, including College vehicles. This policy applies to all employees, clients, contractors, and visitors. Smoking shall be permitted during work breaks only at a reasonable distance (20 feet or more) outside any enclosed area or building entrance so as to ensure that secondhand smoke does not enter the area through entrances, windows, ventilation systems, or any other means. Smokers must dispose of cigarette butts in appropriate receptacles rather than littering.

Those employees who smoke and would like to take this opportunity to quit are encouraged to participate in the cessation programs offered through our Employee Wellness Committee and Capital BlueCross. The success of this policy will depend on the thoughtfulness, consideration, and cooperation of both smokers and nonsmokers. Concerns regarding this policy should be directed to Human Resources.

**Absenteeism**

Upon accepting employment with the College, an employee has the responsibility of being on duty at the proper time every day to perform his/her job. Employees who find it necessary to be absent are required to notify their immediate supervisor prior to the employee’s scheduled work time wherever possible. If employees are absent from work for three consecutive days without calling their supervisor, it will be treated as job abandonment and a voluntary resignation.

*In addition to the above, some department may have department-specific Absenteeism policies.*

**Safety and Security**

Employees of Elizabethtown College are required to follow all safety and security policies established by the College. Campus Security has the responsibility for providing protection for all members of the campus community. This is accomplished through the department’s law enforcement and security protection programs.

The College’s Human Resources Office has the responsibility for instituting all safety policies and procedures on campus. Please visit [www.etown.edu/safety](http://www.etown.edu/safety) for all safety policies.

**Children on Campus**

This policy applies to all College employees, students, and visitors and addresses the health, safety, and management of children (under the age of 18) on College property. 

*Policies for children on campus attending Special Events and Summer Programs (SESP) managed events are contained in a SESP specific policy document.*

**Purpose**

To adequately protect the health and well-being of children on Elizabethtown College property

**Process**

1. Children who are participating in a college-approved event that requires adult supervision (i.e. summer camps) or who are visiting under their parent or guardian’s immediate supervision are permitted on campus.

2. The ultimate responsibility for the health, safety, and management of behavior of the children rests with the parent or guardian who brought the child to campus or the individual who is running the college-approved event (signed release forms may be required depending on the event).
3. Persons under 18 years of age are not permitted in potentially hazardous work areas within Elizabethtown College (e.g. laboratories, shops, and other potentially hazardous work areas or areas with hazardous materials present) except under the following circumstances:

The minor:
- is employed by the College or has been formally accepted as a volunteer worker; and
- has been trained in safety procedures; and
- has adult supervision

The minor is enrolled in a College class with a laboratory component; or
The minor:
- is participating in a College-sponsored program; and
- has been trained in safety procedures; and
- has adult supervision

4. If a minor meets the above criteria and will be spending time in potentially hazardous work areas within Elizabethtown College, the necessary personal protective equipment must be worn at all times.

5. Unsupervised minors not participating in a College-sponsored event will be asked to leave College property.

Responsibilities
1. Managers/Supervisors:
   a. Ensure compliance with this policy within their area of responsibility

2. Employees, students, and visitors
   a. Do not place yourself or any children you are responsible for at risk of injury
   b. Ensure appropriate supervision of children you are responsible for on campus
   c. Report any incident or injury involving a child irrespective of its seriousness to Campus Security immediately

Evaluation
The Safety Committee shall be responsible for evaluating this policy annually.

Lactation Policy
Elizabethtown College understands the importance of a mother’s desire to breast-feed her baby after returning to the work environment. Because not all mothers have a private office to use for lactation needs, the College will make arrangements to accommodate mothers at work with a private locked room for these purposes. Refrigeration accommodations will also be made. Mothers are reminded that the storage and safekeeping of their supplies and expressed milk are their responsibility. Please contact Human Resources for arrangements regarding this policy.

Review of Personnel Files
Except where required by law, information contained in an employee’s personnel file will not be released to external sources unless clear, written permission to release specific information is obtained by the employee. An employee may be permitted to review certain information contained in his/her personnel file and to take notes on this information. If an employee wishes to review sections of his/her personnel file, please contact Human Resources.

Loss Prevention Policy
Elizabethtown College acknowledges and accepts its responsibility to provide a safe, secure, and healthful working environment for its employees. The College further embraces “zero losses” as the only acceptable performance standard, thereby requiring the proactive effort and support of every person within the organization, constant effort and improvement, effective training and supervision of personnel and continual review of all facilities and processes.
Specifically, it is the policy of Elizabethtown College to:

1. Comply with the requirements of federal, state, and local regulations as they pertain to safe, secure and healthful working conditions.

2. Develop, adopt and enforce adequate safety, security, and health standards or policies for all operations.

3. Incorporate loss prevention into the design of all buildings, equipment and processes.

4. Provide exposed personnel with appropriate personal protective equipment and require its use when hazards cannot be engineered from a process.

5. Develop orientation and training programs to teach employees safe, quality-focused working habits.

6. Maintain in every person a thorough awareness of loss prevention habits and techniques through a comprehensive program approach.

7. Encourage every employee to actively participate in the loss prevention program and to take an active interest in his/her own safety and welfare by developing good habits and reporting unsafe or hazardous working conditions.

**Compensation Policy**

The College’s pay practices are designed to provide a competitive pay structure based on salaries and hourly rates of like positions at comparative institutions and/or the local job market. Annual increases are considered at the beginning of each fiscal year. All salaried employees working less than 12 months will be paid over a 12-month period from July 1 through June 30.

**Merit Pay:** Elizabethtown College encourages employee recognition of exceptional performance and achievement through the use of merit pay. Merit is awarded at the beginning of each fiscal year. Please see the Merit Policy located on the HR website.

**Recognition Awards:** Faculty and staff members and faculty teams and/or staff teams, can be nominated for a Recognition Award for significant contributions supporting the College’s strategic initiatives or strengthening and improving the College’s effectiveness as an institution. Individual awardees and individual members of a team receive $500 and a Recognition Award Certificate. Recognition Award(s) are paid as a one-time payment in the first pay period of July and are not added to base salary.

**Break in Service Policy**

A break in service shall occur when an employee is no longer employed by the College. Employees who are rehired within twelve months of the separation shall retain all vacation, retirement, and sick leave benefits at the level prior to the initial separation.

**Change in Employment Status and Benefits**

Employees whose status changes from part-time to full-time shall gain the additional benefits associated with full-time employment based on exemption status (exempt or non-exempt).

Employees whose status changes from full-time to part-time shall forfeit the benefits associated with full-time employment and receive benefits associated with part-time employment and annual hours.
**Employee Transfers**

If hourly employees transfer to a new position within the same or higher pay grade, they will receive a $0.25/hour increase after the probationary period of three months. If hourly employees transfer to a new position within a lower pay grade or change shifts in the same position, they will not receive a $0.25 increase after the probationary period of three months.

**Address/Name Change**

If an employee’s address or name changes, he/she must complete a new W4 and Certificate of Residence form and submit them to Payroll as soon as possible. For a name change, the employee must show the social security card with the new name to the Payroll office.

**Liability**

Employees fall under the College’s Commercial/Professional Liability insurance while acting within the scope of their position responsibilities.

**Dress Code**

The College relies on the good judgment of its employees to dress in good taste in a manner fitting and proper for the performance of the employee’s work duties. The College recognizes that appropriate dress is a function of the type of work performed by the employee. For example, the dress standards for employees working with the public or in view of the public may be more stringent than those standards applied to employees not working with the public. In some departments employees may be required to wear uniforms for identification or sanitation purposes. Employees are to dress consistent with the standards adopted by the department head.

**Computer/IT Usage Policy**

All users of Elizabethtown Information Technology (IT)--students, faculty, administrators, and staff--are to understand and acknowledge that they have access to valuable College resources, to sensitive data and to external networks. Consequently, it is important for all Elizabethtown College IT users to behave in a responsible, ethical and legal manner consistent with the spirit of the College’s pledge of integrity as well as state and federal laws.

The constitutional right of free speech applies to all members of the Elizabethtown College electronic community. As this notion does not imply an abdication of personal responsibility, members of the community are expected to behave ethically in this community and to respect the diversity and privacy of people within and outside the electronic community. Behavior or acts that violate College IT policies and principles will be addressed and adjudicated by the appropriate College judicial or administrative body.

The College reserves the right to access/disclose information on an employee’s computer for any authorized purpose. Electronic mail and other information systems of the College are not to be used in a way that may be disruptive, offensive to others, harmful to morale, or a breach of confidentiality. There is to be no display or transmission of anything that may be construed as harassment or disparagement of others.

The following list, **while not exhaustive**, provides Elizabethtown College IT users with specific policies for responsible and ethical behavior:

- Use only the computers, computer accounts, and computer files for which you have been authorization. Do not use another individual’s ID or account, or attempt to capture or guess other IT user's passwords. IT users are individually responsible for all use of resources assigned to them; therefore, sharing of IDs is prohibited. In addition, College-owned
computers are only to be used by the employee/faculty member that they are assigned to. They are not to be used by family members.

• Do not download software or games onto College-owned computers. Any requests for new software must be coordinated through the department of Information and Technology Services.

• Do not attempt to access restricted portions of the operating system, security software, servers, or networks unless authorized by the appropriate College administrator. Breaking into computers and networks is explicitly prohibited.

• Abide by all state and federal laws, including those applicable to copyright and licensing.

• Use appropriate standards of civility when using IT to communicate with other individuals. When sending messages to other IT users or posting messages to news boards identify yourself as the sender. Using Elizabethtown College IT to harass other individuals is explicitly prohibited.

• Be sensitive to the needs of other IT users. For example, use computer labs for only the most essential tasks during periods of peak demand. Also, sending personal or non-College related messages to large numbers of individuals and sending chain letters or sending a crippling number of files across the network, are examples of activities that cause network congestion and interfere with the work of others, and thus are not allowed.

• Do not destroy or damage any IT equipment, networks, or software. The introduction of computer code that compromises the integrity of a system, such as viruses and worms, into the College computing environment or into other computing environments via the Elizabethtown College network is prohibited.

Electronic Communications

Electronic communications, including electronic mail, mailboxes, Internet, and contents created or stored on the College's computer/network related equipment, are the sole property of Elizabethtown College. Use of the College's computer/network related equipment is a privilege, not a right, and activities that may be acceptable on your personal home account may not be acceptable when using the College equipment/network. Furthermore, all contents on College's computer/network related equipment and network are subject to the College's policies as well as federal, state, and local laws and regulations.

System administrators may require access to otherwise personal files maintained on the campus network as part of regular system maintenance and back-ups, to periodically verify that software and hardware are working correctly, to look for particular kinds of data or software (such as computer viruses), or to audit the use of university resources. In undertaking these efforts, however, IT staff do not access the contents of the communications.

Additionally, the College, through its authorized Administrators, reserves the right to gain access to a user's network correspondence or files maintained on the campus network, whether relating to Elizabethtown College business or that may otherwise be considered personal in nature, for legitimate business and educational purposes, including but not limited to: investigations into suspected or alleged violations of College policy or federal, state, or local laws, investigations into inappropriate use of college equipment; investigations into
claims of wrongdoing; locating information stored in files required for the conduct of business; and/or in response to a subpoena or other valid legal process.

**Weapons On The College Campus**

The College prohibits possession or use of explosives, firearms, or any other weapons in or on College-owned property. The exception to this policy will be law enforcement and security personnel in the performance of their duties.

**Pet/Animal Policy**

Pets are prohibited from all buildings and events on campus, with the exception of guide dogs and assistance dogs. (The College’s Student Handbook outlines the restrictions of pets within residential facilities.)

### III. BENEFITS

**Employee Retirement Income Security Act of 1974**

On Labor Day, 1974, a new law called the Employee Retirement Income Security Act (ERISA) was enacted to protect the interests of workers in pension and welfare plans. ERISA requires that the employer inform all employees of the most important facts they need to know about their fringe benefits. In addition, the Controller is required to file information about your benefit plans with the Department of Labor. Reports giving detailed financial information must also be filed annually. Summaries of this information will be made available to you at no charge. All plan documents are available for examination in the Human Resources Office.
The College undergoes the required \textit{IRS 304(b)} audit of the prior year’s plan each summer.

ERISA established certain minimum requirements for all benefit plans, especially pension plans. You should examine the information supplied to you since it may affect some decisions you must make regarding your retirement benefits.

The new law requires that persons who control employee benefit plans, called fiduciaries, must act solely in the interest of an employee and be prudent in carrying out the plan duties. In order that you may know who is responsible for the plans described in this section of the manual, the principal officers of the College who have discretionary responsibility in relation to the plans are listed below:

\begin{center}
\textit{Elizabethtown College Administrators}
President
Vice President for Administration
Vice President for Finance
\end{center}

If you have any questions regarding ERISA or the information furnished to you, contact Human Resources. The nearest office of the Labor Department also has people who will be able to assist you or provide you with additional information.

\textbf{Statement of ERISA Rights}

Participants in the College Retirement Plan and the College Tax-Deferred Annuity Plan are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all plan participants shall be entitled to:

Examine, without charge, at the Plan Administrator’s Office, all plan documents and copies of all documents filed by the plan with the U.S. Department of Labor and Internal Revenue service, such as detailed annual reports and plan descriptions.

Obtain copies of all plan documents and other plan information upon written request to Plan Administrator. The Administrator may make a reasonable charge for the copies.

Receive a summary of the plan’s annual ERISA Report to the Internal Revenue Service. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Obtain a statement advising the participant of the amount of funds accumulated to provide benefits at normal retirement age if participation under the plan stops now. Each year TIAA-CREF sends participants a statement of annuity premiums paid during the previous calendar year and an illustration of the annuity income at retirement under certain stated assumptions.

ERISA sets forth the duties of the people who are responsible for the operation of the College Retirement Plan and the College Tax-Deferred Annuity Plan. The people who operate these plans have a duty to do so prudently and in the interest of the participants and beneficiaries. No one, including the employer, may discharge or otherwise discriminate against participants in any way to prevent them from obtaining benefits to which they are entitled under the plans or exercising their rights under ERISA.

If an application for benefits under either of the plans described in this handbook is denied in whole or in part, the participant or beneficiary must receive a written explanation of the reasons for the denial. Participants have the right to have the Plan Administrator review and reconsider denied claims on eligibility, participation, contributions, or other aspects of the plan and to have TIAA-CREF...
review and reconsider denied claims under TIAA-CREF Annuity contracts. Under ERISA, participants may take steps to enforce these rights.

If a claim for benefits is denied or ignored, in whole or in part participants may file suit in a state or federal court. If the Plan Administrator’s responsibility to compute and remit plan contributions is not discharged according to the terms of this plan or if a participant is discriminated against for asserting ERISA rights, he or she may seek assistance from the U.S. Department of Labor or may file suit in a federal court. The court will decide who should pay court costs and legal fees. If the participant is successful, the court may order the person sued to pay these costs and fees. If the participant loses, the court may order him or her to pay these costs and fees, for example, if it finds the claim is frivolous.

Contact the Plan Administrator if you have any questions about this plan. If a participant has any questions about this statement or about rights under ERISA, he or she should contact the nearest area office of the U. S. Labor-Management Services Administration, Department of Labor.

Retirement Plan
TIAA/CREF

Elizabethtown College participates in the retirement plan for the Teachers Insurance and Annuity Association of New York (TIAA). The Vice President for Finance of Elizabethtown College is defined as the Plan Administrator. Employees who work at least 1,000 hours per year are eligible for this benefit. Employees are 100% vested in the plan immediately. The College undergoes the required IRS 403(b) audit of the prior year’s plan each summer.

Regular Annuity
Unless previously participating in this plan at another institution or in another qualified plan, a new employee is not eligible to participate during his/her first two years. Employees must attain age 21 before being eligible to participate in the retirement plan. After the two-year eligibility period has been met, employees may participate in the regular annuity retirement plan. The employee contributes 5% of his/her base salary into a retirement account. In turn, the College will contribute 10%* of the employee’s base salary into the employee’s retirement account. As of January 1, 2000, the College will contribute 3% of the employee’s base salary into the employee’s retirement account if the employee does not contribute 5%.

*Employees hired prior to 9/1/04 receive 11.5% from the College when they contribute 5% of their base salary.

TIAA provides a parallel retirement option in the College Retirement Equities Fund (CREF). Contributions made to CREF are invested in units of common stock, money market account, social choice account, bond market account, and/or global equities account.

Optional Purchase of Additional Annuity-SRA
The Supplemental Retirement Annuity (SRA) is designed for those who want to set aside funds for retirement through a tax-deferred annuity plan over and above amounts being accumulated under the institution’s retirement plan. Premiums may be allocated to TIAA, CREF, or between TIAA and CREF. The College does not contribute to this fund. Employees are eligible to participate immediately upon employment, as long as they have attained age 21 and work at least 1,000 hours per year.

Roth IRA
Effective January 1, 2010, TIAA-CREF offers employees who work at least 1,000 hours per year the option to participate in a Roth 403(b) plan. Employees may
**Early Retirement Program**

**Accelerated Plan**

Elizabethtown College has in place an early retirement program. The program is operated on an accelerated basis. Eligibility for the program is 55-61 years of age with a minimum of 10 years of College service and retirement to occur at age 62. The plan works by an employee accelerating contributions to TIAA-CREF with the College accelerating contributions as well. Upon the selected time of retirement, the level of contribution to the employee’s pension fund will be the same as if the employee retired at the normal retirement age of 65. Depending upon the age at which the employee elects to enter the accelerated plan, payment by the College and the individual would be accelerated as follows:

<table>

<tr>
<th>Retirement Election Age</th>
<th>Acceleration Factor</th>

<tbody>
<tr>

Written requests for admittance to the Accelerated Plan must be received by the appropriate Senior Staff member a minimum of one month prior to the desired effective date for the acceleration to begin. Once the request for the accelerated early retirement plan is accepted by the College, the process is irrevocable.

**Retirement**

The College does not have a mandatory retirement age; however, it has set the following guidelines for determining when an employee who leaves the College is considered retired.

- Employees leaving the College on good terms with 20+ years of service.
- Employees age 60 and above leaving the College on good terms.

Employees who are considered retired from the College and have served at least ten years will receive a gift from the College, traditionally a captain’s chair or a rocker, in recognition of their service. The retirees will also be invited to attend an annual retiree reception. Faculty members who retire from the College are eligible to be nominated for emeritus status.

**Domestic Partnership Benefits**

The College extends various benefits to qualified domestic partners of benefit eligible employees. A domestic partner is an unmarried person in a committed, exclusive, co-habiting relationship with a partner of the same or opposite sex. Both the employee and the domestic partner must sign a Declaration of Domestic Partnership. This declaration outlines a specific set of criteria, which must be met to qualify for such benefits. It should be noted that some of our supplemental insurance providers may have additional requirements or may deny coverage for domestic partners.

Extended various benefits are defined as medical, prescription, dental, vision, long-term care, and sick leave. The availability of this coverage extends to domestic partners and their children.

Electing this benefit may have tax implications to the employee. As a result, employees are strongly advised to seek guidance from a tax advisor before...
choosing whether or not to elect this benefit. It should also be noted that any contributions related to such coverage will be made on an after-tax basis.

Employees must notify the Human Resources within 15 days should a domestic partnership be terminated. Should a partner be removed from coverage as a result of the domestic partnership ending, the partner will be offered the opportunity to continue their health insurance under the Consolidated Omnibus Budget Reform Act (COBRA).

For additional information concerning the College’s domestic partnership policy, please contact the Human Resources Office.

**Medical Benefits**

Employees hired as of 1/1/15 who work at least 1,462.5 hours per year are eligible for medical benefits immediately upon hire. Those hired prior to 1/1/15 are grandfathered under the previous medical policy. Employees may select among several types of medical insurance coverage. The College shares the premium cost for employees, domestic partners, and dependent coverage. The employee’s portion of the premium is not taxable for federal income tax and FICA purposes. Employee eligibility for benefits is outlined under “Employee Status” in the **History/Mission/College Structure** section of the Handbook. Employee coverage begins upon signup at the employee’s initial orientation or the College’s open enrollment period. Complete information and literature are available through Human Resources.

The College will abide by all requirements stipulated under the Affordable Care Act 2010.

**Retirement Health Coverage.** Effective 9/1/04, upon retirement employees who have attained age 60 and have completed at least 12 years of service to the College may participate in the College’s health care plan at a group rate; the employee will be required to pay the full premium. The College will not make any contribution to health care premiums in retirement.

Employees hired prior to 9/1/04 who met the following criteria on 9/1/04 will receive 100% health insurance premium coverage by the College for him/herself only upon retirement: any faculty member who held the rank of Associate Professor or Full Professor, OR any employee who attained age 50, OR any employee who completed 15 or more years of service. Employees hired prior to 9/1/04 who did not meet the above criteria on 9/1/04 will be required to pay 50% of the health care premium for him/herself upon retirement. All employees must attain age 60 and have completed at least 12 years of service to the College at the time of retirement to be eligible for health coverage.

**Disability**

Employees who work at least 1,462.5 hours per year are eligible for long-term disability immediately upon hire. Total Disability coverage is through Guardian.

This plan provides income protection and a waiver of premiums to the TIAA-CREF retirement plan for a qualified totally disabled employee. The College pays the full premium. Employees must be out of work for a medical condition for six-months continuous prior to becoming eligible for long-term disability. Details concerning the plan are outlined in the College’s Plan Announcement for Disability Insurance. Extra copies of the plan are located in Human Resources.

Employees will undergo an interactive process to have an employee return to the job. Essential functions of the job must be completed with or without a reasonable accommodation. Employees unable to return to the job may be dismissed from employment.
**COBRA (Continuation of Health Plan Coverage)**

On April 7, 1985, a Federal law was enacted requiring most employers sponsoring group health plans to offer employees and their families the opportunity for a temporary extension of health coverage called COBRA (The Consolidated Omnibus Budget Reconciliation Act of 1985). The temporary extension of health coverage is to be at group rates to employees whose coverage under the plan would otherwise end.

All employees of Elizabethtown College who are enrolled in one of the College’s group health plans have the right to choose COBRA if they lose their group health coverage because of a reduction in hours of employment or the termination of employment (for reasons other than gross misconduct on the employee’s part.)

A spouse/dependent of an employee covered under one of the College’s group health plans also may have the right to choose continuation of coverage if the health coverage was discontinued for similar reasons outlined above.

**Life Insurance**

Employees who work at least 1,462.5 hours per year are eligible for life insurance immediately upon hire. The College provides eligible employees with $10,000 of basic group term life insurance coverage through Guardian (at no cost to the employee). In addition to the $10,000 basic life insurance coverage, optional insurance can be purchased by the employee up to five times his/her annual salary, with a maximum of $500,000. Employees may keep their life insurance active until age 70 if they leave the College.

**Dental**

Employees who work at least 1,462.5 hours per year are eligible for dental insurance immediately upon hire. Dental insurance is available through Delta or Guardian. The College shares the premium cost with the employee.

**Vision Insurance (Davis)**

Employees who work at least 1,462.5 hours per year are eligible for the vision insurance plan immediately upon hire. The College offers to all employees and their immediate family members a voluntary vision insurance plan through The Davis Vision Plan, administered by Guardian. This plan will cover annual eye exams, lenses, frames and contact lenses, as well as additional services like laser correction surgery and cosmetic extras at discounted prices.

**Vision Discount Plan (NVA)**

Employees who work at least 1,462.5 hours per year are eligible for the vision discount plan immediately upon hire. The College offers to all employees and their immediate family members discount vision services through local eye professionals. The College also offers a voluntary vision discount plan through National Vision Administrators (NVA). The employee is responsible for paying the full premium for NVA.

**Flexible Spending Accounts**

Employees who work at least 1,462.5 hours per year are eligible to participate in flexible spending accounts immediately upon hire. Flexible Spending Accounts are a tax-saving option allowing employees to pay for eligible expenses with pre-tax dollars. All employees may participate in Health Care and Dependent Care Spending Accounts up to limits determined by law. Complete information and literature are available through Human Resources.

**Health Savings Account**

Employees are eligible to participate in the Health Savings Account (HSA) only if they are enrolled in the High Deductible Health Plan. Employees must also meet the following requirements to participate: must be a US resident; cannot be
enrolled in Medicare, another health plan, or be active military; and cannot be claimed as a dependent on another individual’s tax return.

A Health Savings Account enables participants to pay for current health expenses and save for future qualified medical and retiree health expenses on a tax-free basis. The member owns and controls the money in the HSA through a banking institution. Decisions on how to spend the money are made by the member without relying on a third party or a health insurer. The member may also decide what types of investments to make with the money in the account. Accounts are portable; members can keep the HSA even if they change employers. Funds remaining in the account roll over from year to year.

Administration of the HSA account with the banking institution is paid by the member (costs may vary from bank to bank); the member may choose their bank. HSA funds are not available to the member until deposited in the account. Members are responsible for knowing what services are eligible for reimbursement. There is a 10% penalty for using HSA funds on non-eligible services.

**Sick Leave**

Employees who work at least 1,462.5 hours per year are eligible for sick leave immediately upon hire.

Please refer to **Appendix A** for the **hourly** sick leave schedule.

Please refer to **Appendix B** for the **salaried** sick leave schedule.

Sick leave is calculated on the fiscal year (July 1 through June 30). New employees will have sick leave prorated based on their date of hire. Employees who terminate employment with the College will not be paid for unused sick leave. All unused, accrued sick leave will automatically carry over from year to year up to a maximum of 120 days.

Employees may use sick leave to care for members of their immediate family or those living within their household. Periodically Human Resources may verify living arrangements. Sick leave may also be used for doctor or dental visits for the employee, any member of the employee’s immediate family, or those living within their household. Employees who wish to use sick leave for domestic partners and their children must complete a Declaration of Domestic Partnership.

Employees are required to notify their immediate supervisor upon the discovery of any temporary illness, disabling condition or injury which would require an employee to use sick leave. At any time a supervisor may request medical documentation regarding an employee’s absence. Should an employee need to be out for more than three (3) consecutive days for a serious illness, disabling condition (including surgery) or injury, the employee should contact his/her supervisor and Human Resources. Such situations may qualify an employee for Family and Medical Leave.

**Sick Leave Bank**

Effective 4/2/05, the Sick Leave Bank program allows employees to voluntarily donate portions of their accrued sick leave or vacation time to a bank to be used by eligible co-workers who have already exhausted their own paid leave for personal catastrophic medical conditions. The Sick Leave Bank will allow employees in dire medical situations to continue to take paid leave for what would otherwise be unpaid time.

See the HR website for provisions of the Sick Leave Bank program.
**Vacation**

Employees who work at least 1,462.5 hours per year are eligible for vacation time immediately upon hire.

Please refer to Appendix A for the hourly vacation schedule.

Please refer to Appendix B for the salaried vacation schedule.

Vacation must be approved by the employee’s supervisor and will be approved on a first come, first serve basis to the extent that employees in the same department request time off that cannot be accommodated together.

The College prefers that employees use all of their vacation time each year. However, if this is not possible, employees may carry over up to five days of vacation into the next year. Effective July 1, 2012, employees do not have to request carry over of five or less days. Earned, unused vacation time (up to the maximum of five days) will automatically carry over from year to year.

Employees are encouraged to discuss their vacation plans with their supervisors in sufficient time to avoid problems with scheduling. Employees who have been specifically requested in writing by their supervisor to not take vacation may be allowed to carry over more than five vacation days to the following year. Additionally, special requests to carry over more than five vacation days may be made by employees affected by circumstances beyond their control, such as, a serious medical condition or an unplanned major life event. Any such requests should be made through the Office of Human Resources. Otherwise, any vacation time in excess of five days at the end of the year will not be carried over.

Vacation time cannot be borrowed from the next fiscal year’s allotment unless there is an extenuating circumstance that is requested and approved by the Associate Vice President for Human Resources.

Employees who do not work twelve months may not use vacation time during the months they do not work to get a paycheck.

**Personal Time**

Employees who work at least 1,040 hours per year are eligible for personal time.

Please refer to Appendix A for the hourly personal time schedule.

Please refer to Appendix B for the salaried personal time schedule.

Employees do not have to give advance notice to take personal time but should inform their supervisor as early as possible. Employees will not be allowed to carryover unused personal time. Employees who terminate employment with the College will not be paid for unused personal time.

**Service Leave**

Effective 9/26/05, administrative and staff employees may request a leave of absence to participate in a short-term off-campus service project while on short-term leave from the College. Members of the faculty are not eligible for leave under this policy.

The opportunity will be available to a limited group of up to five (5) employees during each fiscal year. In cases of unusual national or international need the number of leaves granted may be temporarily increased.

- In order to be eligible to apply for a service leave an employee must have completed a minimum of three (3) years of full-time employment at the College.
• Service leave will only be granted for service projects that are more than five consecutive work days in length. The employee will be required to use vacation time to cover the first five days of the leave period. The remaining time, up to a maximum of five days, will be paid by the College as service leave at the employee’s current level of compensation without an encumbrance on accrued vacation time.

• In some cases the leave may extend beyond ten (10) consecutive working days. In this case, all leave time beyond the initial ten day period must be covered by vacation time accrued by the employee or the employee may choose to draw volunteered vacation time from the Service Leave Bank. (Administrative and staff employees may donate vacation time to a Service Leave Bank that can be used by employees volunteering their services for disaster relief efforts. Employees may donate their accrued vacation time by completing a Vacation Donation Form. Forms are available through Human Resources or on the Human Resources website.)

• All expenses for the employee associated with the leave are the responsibility of the employee.

• The service project undertaken during the leave should be sponsored by a recognized (IRS 501 (c) 3) service organization (such as Brethren Disaster relief, Habitat for Humanity, Red Cross, Salvation Army, etc.).

• Employees must have prior approval from their supervisor and department head, and must arrange with the supervisor for the employee’s work assignment to be covered while the employee is on leave. While supervisors are encouraged to make reasonable accommodations for the employee to participate in the leave, no more than one employee at a time usually will be eligible for leave within the same department.

• Employees are encouraged to arrange the leave for periods when the work requirements of the respective unit are not in high demand.

• An application for the leave must be submitted to the Human Resources Office, following a form provided by this Office. Applications will be approved on a first-come basis. Generally, applications must be received at least thirty (30) days prior to the start of the proposed service leave. Upon receipt of the application review will take place within ten (10) working days.

• Preference will be given to those opportunities where employees will work side-by-side with students from the College.

An employee who is granted a service leave is ineligible to re-apply for a period of three (3) years.

Family And Medical Leave

Employees who have been employed by the College for at least 12 months, who have completed at least 1250 hours of service during the 12-month period immediately preceding the commencement of the leave, are eligible for an unpaid family and/or medical leave pursuant to this policy. All employees are required to use sick leave, then vacation and personal time as part of a family or medical leave of absence. Eligible employees are entitled to a total of up to 12 work weeks during any 12-month period in the following situations:

Reasons for taking leave:
• To care for the employee’s child after birth, or placement for adoption or foster care;
• To care for the employee’s spouse, dependent, or parent who has a serious health condition;
• For a serious health condition that makes the employee unable to perform his/her job; or
• For any qualifying exigency (as the Secretary of Labor shall, by regulation, determine) arising out of the fact that the spouse, child, or parent of the employee is on active duty (or has been notified of an impending call or order to active duty) in the Armed Forces in support of a contingency operation.

Employees who are taking FMLA to care for a spouse, child, parent, or next of kin who is recovering from a serious injury or illness sustained in the line of duty on active duty in the Armed Forces are entitled to up to 26 weeks of leave in a single 12-month period to care for the servicemember. Eligible employees are entitled to a combined total of 26 weeks of all types of FMLA leave. **EFFECTIVE 1/28/08**

A **dependent** is defined by the IRS as a birth child, stepchild, legally adopted child, or foster child in your care who lives with you and whom you support financially for more than six months out of the year. A dependent must be under the age of 19 or be 26 or younger and enrolled as a full-time student. A dependent can also be over the age of 18, if incapable of self-care because of a mental or physical disability. See the IRS website for specific details.

A serious health condition is an illness, injury, impairment, or physical or mental condition that involves (1) inpatient care and any corresponding period of incapacity or subsequent treatment, or (2) continuing treatment by a health care provider. Continuing treatment may be established under any one of the following sets of circumstances:

1. A period of incapacity that lasts more than three consecutive full calendar days and involves a certain level of treatment (treatment two or more times, within 30 days of the first day of incapacity, unless extenuating circumstances exist, by a health care provider or treatment by a health care provider on at least one occasion which results in a regimen of continuing supervised treatment, including a course of prescription medication or therapy requiring special equipment). The treatment must involve an in-person visit to a health care provider. The first (or only) in-person treatment visit must take place within 7 days of the first day of incapacity;
2. Any period of incapacity due to pregnancy, or for prenatal care;
3. Any period of incapacity due to a chronic serious health condition (such as asthma, diabetes, or epilepsy);
4. Permanent or long-term incapacity due to a condition for which treatment may be ineffective if there is continuing supervision by a health care provider (such as for Alzheimer’s, severe stroke, or the terminal stages of disease); or
5. Any period of absence to receive multiple treatments either for restorative surgery after an accident or other injury or for a condition likely to result in incapacity of more than three full days absent medical intervention (such as radiation or chemotherapy for cancer, physical therapy for severe arthritis, or dialysis for kidney disease).

Periods of incapacity due to pregnancy or chronic serious health conditions are not subject to a three-day minimum duration or to any requirement that treatment be received. Generally, treatment that includes taking over-the-counter medications or bed rest, drinking fluids, exercise and other similar activities that can be initiated without a visit to a health care provider is not, by itself, sufficient to constitute a regimen of continuing treatment.

Substance abuse may qualify as a serious health condition. Leave is available for the treatment of substance abuse, but absence due to an employee’s use of the substance does not qualify for FMLA leave. An employer retains the right to terminate an employee under an established substance abuse policy.
Without complications, the common cold, flu, earaches, upset stomach, minor ulcers, headaches other than migraine, routine dental or orthodontia problems, and periodontal disease ordinarily are not serious health conditions. Allergies or mental illness resulting from stress may be serious health conditions if all other conditions are met.

Health insurance will be maintained for any eligible employee on a family or medical leave under this policy on the same terms as would apply if the employee were not on FMLA. Employees who fail to return to work upon completion of a family or medical leave will forfeit their right to employment at the College.

In cases where the College employs both spouses, family leave may be limited to a combined total of 12 weeks between them.

Eligible employees are limited to a total of 12 work weeks of leave during a 12-month period, with the exception of the military leave act adopted January 28, 2008, which entitles employees to a total of 26 weeks during a 12-month period to care for a servicemember. The College will calculate this 12-month period by measuring backward from the date an employee uses FMLA leave (i.e. leave is limited to the balance of 12 weeks not used during the past 12 months).

FMLA leave may be taken intermittently whenever medically necessary to care for a seriously ill family member or because the employee is seriously ill and unable to work. Employees may take FMLA leave intermittently in five-minute increments. If FMLA is for birth and care or placement for adoption or foster care, use of intermittent leave is subject to the College's approval.

The Human Resources department is responsible for designating leave as FMLA once we learn of the absence/issue. An employee who can anticipate the need for a family or medical leave of absence must provide Human Resources with at least 30 days notice if practicable or as early as possible thereafter. Employees requesting leave for treatment of a serious health condition must make reasonable efforts to schedule the treatment so as to not disrupt the College's operations.

Employees who are on leave pursuant to this policy shall be restored to the same position the employee held when leave commenced, or to an equivalent position with equivalent benefits, pay and other terms and conditions of employment. Highly salaried “key” employees may have limited reinstatement rights. Any “key” employees shall be notified of their specific rights and obligations prior to beginning family or medical leave.

An employee using medical leave for personal or family care under this policy must submit a certification by his or her health care provider regarding the need for such leave. Certification forms will be provided by Human Resources. Employees will have 15 days to return the certification forms. The College reserves the right to require second and third opinions at the College’s expense relating to an employee’s medical certification. Any employee returning to work from a personal medical leave shall be required to submit a fitness-for-duty certification from his/her health care provider stating that he or she is able to resume work. The College also reserves the right to require an employee on family or medical leave to report periodically on his/her status and intent to return to work. While an employee is on leave, he/she must maintain contact with his/her supervisor and/or Human Resources.

This policy shall be administered in a manner consistent with the terms of the Family and Medical Leave Act of 1993. The College reserves the right to impose any conditions or limitations upon any leave of absence as may be deemed consistent with the provisions of the Act. Any questions concerning this policy

January 2015
may be directed to Human Resources. *This is not a comprehensive discussion on your rights under CFR Title 29, Part 825 (Family & Medical Leave Act).*

**Leave of Absence**

An employee, who wishes to take a leave of absence, must provide his/her immediate supervisor and Human Resources with adequate notice requesting leave approval. You must have been employed by the College for a minimum of one year in order to be eligible for a leave of absence. All personal leaves of absence are unpaid. Approved leaves of absence will not extend beyond one year. The College has complete discretion regarding whether to grant an employee a leave of absence.

An employee’s length of service will continue to accrue during a leave of absence; however, vacation and sick leave are not accumulated during the leave of absence. Benefits for approved leaves will be the responsibility of the employee (e.g. to pay the full premium(s) for health insurance). Tuition Remission is not extended to an employee during the time of leave, with the exception of an employee taking an educational leave. Employees may continue to contribute their share to their retirement by sending a personal check directly to TIAA. The College does not contribute to TIAA-CREF during an employee’s leave of absence. Failure to return at the expiration of the leave will be considered as a resignation on behalf of the employee. If an employee fails to return from an educational leave, tuition remission paid by the College during the leave is to be paid back in full prior to the employee’s departure.

Requests for leaves of absence should include:

- Date leave is to begin and a return to work date.
- Reason for the leave (if of a personal nature, please indicate “personal” in letter)
- Employee signature and supervisor’s signature of approval.

**Bereavement Leave**

Full-time and part-time employees may take bereavement leave with pay. The amount of time taken depends on the relationship to the deceased.

- Up to 5 consecutive scheduled workdays for an immediate relative (spouse, parent, parent-in-law, child, sibling) or domestic partner
- Up to 5 consecutive scheduled workdays for any other relative who lives in your household
- Up to 2 consecutive scheduled workdays for a relative not living in your household
- Actual time needed to attend services for a friend

Absences that extend beyond those approved by this policy will be assessed to the employee’s vacation time.

**Jury Duty**

If called, the College encourages all employees to serve on jury duty as part of the employee’s civic responsibility. All employees are excused for this purpose, and the College will compensate the employee at his/her normal full salary or wage for the regularly scheduled working days used for jury duty. The employee endorses over to the College the jury service pay other than travel payment. Written notification of jury duty should be sent to Human Resources. Employees are expected to return to work immediately if they are excused from court during any part of the work day.

**Subpoena**

Paid time off for court appearances will be granted to an employee who is subpoenaed to appear in court as a witness. The employee must furnish
verification of the subpoena or summons to his/her immediate supervisor prior to the requested appearance. Upon being excused by the court, employees are expected to report back to work according to their regular work day.

**Military Leave**

If you require time off from work to fulfill military duties, you will be treated in accordance with applicable requirements of state and federal laws. You must notify Human Resources and provide a copy of your orders as soon as possible. A military leave of absence shall be granted to eligible employees who enlist, are inducted or are recalled to active duty in the armed forces of the United States for a period of not more than five years (plus any involuntary extension for not more than one year). Such leave will protect your service with the College.

Upon satisfactory completion of your military service and timely notice of intent to return to work, you will be reinstated to your previous job or to a job comparable to the one you left, provided you are qualified and the College’s circumstances have not changed to the extent that it would be unreasonable to provide re-employment. You must reapply for your job within 90 days after being released from active duty. Reservists and National Guard members returning from initial active duty training must apply for reinstatement within 31 days after being released from military duty. Those returning from all other active duty for training must report to work on the first scheduled working day following the completion of training. Failure to return to the College in a timely manner after release from service may result in refusal of employment. Employees returning from military leave must provide appropriate military documentation regarding the purpose and duration of the leave.

**USERRA**

The Uniformed Services Employment and Reemployment Rights Act (USERRA) is a federal law that protects the rights of workers who leave their jobs to serve in the Armed Forces of the United States. The College will offer health-care continuation to employees for up to 24 months; the premiums would be paid by the employee. Once an employee has taken military leave and returns to the College, he/she has the opportunity to contribute any elective deferrals to the retirement plan that could have been contributed during the period of military service. Life insurance coverage will continue while the employee is on military leave. Employee’s rights under USERRA are posted on the Human Resources bulletin board.

**Holidays**

At its discretion, the College may change the number of paid holidays and/or which paid holidays will be observed. If an employee works on one of the listed holidays, they are paid double time for any hours worked on the holiday. The following days are currently recognized as paid holidays:

- **Labor Day**
- **Thanksgiving** and the day after Thanksgiving
- **Christmas Eve and Christmas Day** (The College normally closes between Christmas Eve and New Year’s Day)
- **New Year’s Eve and New Year’s Day**
- **Good Friday and Easter Monday**
- **Memorial Day**
- **Independence Day**

Employees who observe other holidays may do so by using vacation or personal time or by taking the time unpaid.

**Holiday Pay Provisions**

Effective November 27, 2008, the following holiday pay provisions will be in place for employees working at Elizabethtown College.
COVERED EMPLOYEES

Full-time Employees: Any employee placed in a regular full-time position, working 9 – 12 months, who is assigned at least 32 hours per week during a calendar or academic year will be eligible for holiday pay.

Part-time Employees: Any employee placed in a regular part-time position, working 9 – 12 months, who is assigned at least 20 hours per week but less than 32 hours per week during a calendar year will be eligible for holiday pay.

Temporary Employees who are long-term (working temporary for a period of one year or longer) will be eligible for holiday pay.

NON-COVERED EMPLOYEES

Short-term temporary employees are not eligible for holiday pay.

On-Call employees are not eligible for holiday pay.

PAY PROVISIONS

An employee will be paid for the holiday(s) as long as the employee does not call off sick the day before or the day after the holiday of their regularly scheduled work week.

Social Security

All categories of College employees are eligible and are required to participate. A percentage of the employee’s wages is paid by the employer and the employee. This rate includes hospital insurance under Medicare. Contributions are deducted from the employee’s wages and are sent to the Internal Revenue Service along with the College’s matching share. The contributions of the College and the individual are over and above those contributed to TIAA/CREF.

Social Security pays monthly benefits to individuals who retire after reaching full retirement age as determined by the Social Security Administration and who have worked in covered employment or self-employment for minimum periods of time. Social Security will pay reduced benefits to workers who retire after age 62, but prior to full retirement age. It also provides monthly benefits for the employee’s family members. You must apply at the local Social Security Office in order to begin receiving benefits.

Workers’ Compensation

All employees are covered by workers’ compensation insurance as required by state law. The cost of this insurance is paid by the College.

Workers’ compensation is a type of no-fault insurance which provides payment to workers who are disabled by occupational injuries or diseases or to dependent survivors in case of death. It also provides immunity for employers from court suits for damages. This particular program provides a tax-free weekly compensation equal to two-thirds an employee’s average weekly wage within a set minimum and maximum after an employee is out of work for a set number of days due to the work injury. Payments continue as the disability continues with partial payments in some cases of partial disability. An employee cannot receive sick leave pay and workers’ compensation concurrently.

Claims:

In cases of a work related injury or illness, the injury is to be reported immediately to a supervisor and to Human Resources where a Workers’ Compensation claim will be completed. If medical attention for work-related injury or illness is required, the injured person must report to a physician listed on the Panel of Physicians (see list posted on campus employee bulletin boards or contact Human Resources, ext. 1406). Except in extreme emergencies, if the injured
person reports to a physician not listed on the Panel of Physicians, bills may not be covered by Workers’ Compensation. If the medical Panel Physician refers the injured person to another physician, these bills will be covered.

After 90 days, the injured person may go to a licensed practitioner of his/her choice if medical care is still required. Bills will be paid if:

1. The College or insurance carrier is notified about the new physician within 5 days of the first visit.

2. The doctor files required reports (first report within 21 days; monthly reports thereafter).

If individuals are taken out of work by their doctor due to a work-related injury, FMLA time may run concurrently with the workers’ compensation absence if the injury meets the criteria for a serious health condition as defined by FMLA. While an employee is out on a workers’ compensation absence, he/she will be responsible for submitting payments for all benefit premiums that were previously deducted from his/her paycheck; the employee will continue to accrue vacation and sick time while off work. The College does have a light duty policy to accommodate employees who are released to return to work on light duty. If an employee leaves employment while out on workers’ compensation, the employee will be paid out for any accrued, unused vacation time.

Employees must schedule all follow-up appointments for work-related injuries outside of their scheduled work hours. If the employee chooses to leave work to attend an appointment, he/she must use personal, sick, or vacation time.

**Tuition Benefits (undergraduate)**

Employees who work at least 1462.5 hours per year are eligible for tuition benefits, as outlined below. Tuition benefits supersede ALL other awards (need + merit) from the College.

**Tuition Benefits for Dependents (Tuition Remission & Exchange)**

Under the policy stipulated below, dependents of eligible employees are eligible for tuition assistance for undergraduate education. The following stipulations and limitations apply to both Tuition Remission at Elizabethtown (a.) and Tuition Exchange Programs (b.):

**Eligibility**

Dependents are defined as biological, adopted, or stepchildren who have been dependents of the employee’s for three years immediately prior to the start of the tuition benefit. Dependents of an employee’s domestic partner can utilize the tuition benefit if the employee can show that they meet the dependent support guidelines for a child living in their home. Dependents must be unmarried, under the age of 26, and claimed as a dependent on the employee’s federal income tax return (if the dependent is not claimed, the employee must satisfy the support qualifications under the IRS and other pertinent regulations).

Dependents will be allowed to continue to receive the tuition benefit past the age of 26 in order to finish their degree if they remain continuously enrolled.

If an employee is hired with a dependent currently participating in a tuition benefit program at another institution, the waiting period for the benefit at Elizabethtown will be waived.

The Human Resources department oversees the Tuition Benefit program. Tuition Remission/Tuition Exchange forms are available through the Human Resources office or on the Human Resources website.

a. **Tuition Remission at Elizabethtown**
Upon completion of the employees’ introductory period (6 months), full tuition remission is available to eligible employees for the undergraduate education of dependents at Elizabethtown College. The tuition remission benefit may only be used for the traditional program (tuition remission for SCPS programs is not available to dependents). There is no limit on the number of dependents who can utilize the tuition remission benefit; each dependent is eligible for up to 128 credits (earned and attempted) of tuition remission. The student(s) must satisfy the requirements for admission and must continue in good standing (academic and conduct) in order to be eligible to receive this benefit. Dependents on academic probation, academic contract, or disciplinary probation are not eligible for tuition remission.

The tuition remission benefit is available only for courses for credit. Overloads are not included. A given course may be covered once during the entire program.

Studying abroad will only be covered under the tuition remission policy if it is required for the student’s major.

All requests for tuition remission must be sent to Human Resources before the beginning of each semester for which the employee is requesting tuition remission.

b. Tuition Exchange Programs

Employees hired after September 1, 2006 - Upon completion of three years of employment, tuition exchange is available to eligible employees for the undergraduate education of dependents. A maximum benefit of 16 semesters of tuition exchange is available to each eligible employee. The 16 semesters can be used by multiple dependents; however, one dependent may not use more than eight semesters. As an example, one dependent could use eight semesters, another dependent could use four semesters, and a third dependent could use four semesters (for a total of 16 semesters).

Employees hired prior to September 1, 2006 - Upon completion of the employee’s introductory period (6 months), tuition exchange is available to eligible employees for the undergraduate education of dependents. There is no limit on the number of dependents who can utilize the tuition exchange benefit; each dependent is eligible for eight semesters of tuition exchange.

Tuition exchange requests must be sent before the beginning of each year for which the employee is requesting the tuition exchange benefit.

The current Tuition Exchange Program is The Tuition Exchange, Inc. (www.tuitionexchange.org). Tuition exchange pays a minimum amount, which is set by Tuition Exchange, Inc. (TE). It is important to know that TE awards are competitive and not automatic. Decision rests with the host institution. Each host institution’s awards will vary each year based upon the host institutions’ export and import balance of TE students.

To avoid disappointment, apply early and apply to one or two less competitive institutions plus a first choice institution. Employees should apply to Elizabethtown College Human Resources and to the admissions office of the selected colleges and universities during the period of September to December of the student’s senior year of high school. Most programs have deadlines with the latest being March 15th. TE applications will only be processed for colleges and universities where the student has filed an admissions application. The limit is 6 schools initially.
The Tuition Exchange Officer at Elizabethtown College is the Director of Admissions. Matters of academic eligibility are handled by the Admissions Office of the importing institution.

Limitations on Tuition Benefits for Dependents (Tuition Remission & Exchange)
If both parents are employees of Elizabethtown College, the benefit to the child is based on the employment of one parent only. If the spouse of an Elizabethtown College employee is employed by another institution granting tuition benefits to dependent children, the child will not receive more than the equivalent of one award; i.e., Elizabethtown College will contribute its maximum for which the child is eligible, but the combined tuition remission shall not exceed the tuition charge for the student.

Except as stated otherwise herein, this benefit relates only to basic tuition, not including general fees. No other costs to the student are covered by this arrangement.

The tuition benefit terminates with termination of employment at Elizabethtown College except in the case of the Death Benefit. If an employee leaves in the middle of a semester and his/her dependent is currently receiving tuition benefits, the dependent may finish out the current semester. No additional semesters will be allowed. If an employee retires while his/her dependent is enrolled and utilizing the tuition benefit, the dependent may continue in the program until they graduate. The dependent must remain continuously enrolled to keep receiving the benefit.

Dependents who utilize both tuition remission and tuition exchange (i.e. attend both Elizabethtown College and another eligible institution for their college education) will be allowed a total of 128 credits or eight semesters, whichever is larger, of combined remission and exchange.

Event of Death or Permanent Injury
The tuition benefit accruing to children of eligible employees is available as a death benefit if the employee has completed three years of employment at Elizabethtown College and is in the employ of the College at the time of death. The benefits may be initiated over a period of five years after the death of the employed parent and will continue in force once initiated until eligibility is exhausted. After the sixth year of employment at Elizabethtown College, the benefit will extend until all children of the employee have exhausted their eligibility (please note that the tuition exchange benefit is limited to sixteen semesters for employees hired after September 1, 2006). If, while fulfilling requirements of his/her job, a staff member is killed, or permanently injured to the extent that he/she can no longer fulfill the occupational requirements, the death benefit becomes the same as if the employee had completed the six-year employment requirement. The tuition benefit will be available as a death benefit either at Elizabethtown College or under the Tuition Exchange Program.

Tuition Benefits for Employees

Employees are responsible for all tax payments as required under federal, state, and local law.

Eligible employees may utilize the tuition remission benefit for undergraduate education upon completion of their introductory period (6 months). Eligible employees may take a course for credit at Elizabethtown College by paying an overhead fee of $20 per course, regardless of previously earned degrees or academic record. Should the course require special fees, they shall be added to the $20 overhead charge. Where sections are filled by paying students, this benefit may be suspended for those sections. Employees may also audit courses by paying the overhead fee of $20 per course. Tuition remission will not cover costs associated with employees testing out of a class. Employees may not exceed a total of 128 credits.
Tuition Benefits for Spouses and Domestic Partners

Spouses and domestic partners of eligible employees may utilize the tuition remission benefit for undergraduate education upon the employee’s completion of his/her introductory period (6 months). Tuition remission will not cover costs associated with an employee’s spouse or domestic partner testing out of a class. Spouses and domestic partners of eligible employees may not exceed a total of 128 credits. Domestic partners will be asked to sign an affidavit attesting to their relationship.

Specific to the MBA Program: Noted Provision

Once the Graduate Tuition Benefit is offered to an employee, he/she will continue to receive the benefit provided he/she continues to meet the requirements for the benefit. The College may opt to enlarge the number of employees who will be offered Graduate Tuition Benefits for the MBA program. This limitation on tuition benefits for the MBA program may be adjusted in future years with one year notification to employees.

The President will render a written decision within ten (10) working days after receiving the grievance. The President’s decision will be final.

Identification Cards

The Campus Security office issues ID cards to all employees as authorized by Human Resources. You may use your ID card for the following on-campus benefits:

- To charge items, up to $100, to your staff account in the College Store, Jay's Nest, or Dining Services. You are responsible for all transactions made with your ID card until you report the loss to Campus Security. A list of charges that you have incurred is sent out monthly. Balances not paid by the statement due date are subject to finance charges of 1.5% per month or 18% per annum. Charging privileges will be restricted until completion of the introductory period for hourly employees; salaried employees are eligible immediately.
• To use the athletic facilities. (Your eligible dependents may get their own passes for athletic facilities. Please visit www.etown.edu/humanresources to get a Recreation ID Request form.).
• To get free admission for yourself to eligible regular in-season home athletic events.
• To use the library.

Report lost or stolen ID cards to Campus Security (x1263). If you have lost your ID card, you will need to purchase a new one through Campus Security. Identification cards must be returned to Campus Security, prior to your departure, if you are leaving the College’s employment.

Payroll Procedures

The Payroll staff, located in Alpha Hall Room 201, collects payroll forms, including W4, Certificate of Residence, Local Services Tax, and Direct Deposit.

All payroll is handled through direct deposit. Payroll for all hourly employees shall be on a bi-weekly basis; payroll for all salaried employees shall be twice a month. An annual calendar of payroll dates is available on the HR website. Questions concerning payroll should be directed to the Manager of Payroll.

Payroll Deductions: According to federal, state, and local regulations, the College must withhold FICA (Social Security/Medicare Tax), state unemployment tax, federal and state income tax, and local wage tax. Annually, the Local Services Tax is deducted.

Recording of Hourly Time: The Fair Labor Standards Act requires that employers keep accurate records for all non-exempt positions. Non-exempt, hourly employees will be required to record their hours worked on the College’s time & attendance system (TimeAdvantage). Exempt employees are required to complete a quarterly record of vacation and sick leave.

Overtime: Non-exempt employees will be paid time and a half for hours physically worked in excess of 40 hours per week.

Grace/Rounding Policy: Effective January 1, 2011, the College has a five-minute Grace/Rounding that applies to all hourly employees at the College.

Reimbursement of Expenses

Reasonable expenses, incurred by an employee in the conduct of College business, are reimbursable. A request for reimbursement of expenses should be completed and submitted with supporting receipts attached to the Vice President for Finance.

Use of College Vehicles

The College maintains a fleet of vans for official College use. Employees must have a valid driver’s license and a successful check of the required Motor Vehicle Record (MVR) to drive a College vehicle. To reserve a vehicle for College business, contact Facilities Management. All vehicle accidents must be reported immediately to Facilities Management and Campus Security.

Lost and Found

Campus Security is responsible for the College’s Lost and Found program. Items found on campus should be turned in to Campus Security for securing and recording purposes. Employees should check with Campus Security for articles or belongings they may have lost on campus.

Mail Service

The campus post office receives mail on a daily basis. Mail is distributed twice each day through department mailboxes conveniently located within each building on campus.
**Telephone Service**

College telephones are provided for the primary purpose of conducting College business. Toll calls and long distance calls can be made by using an assigned College pin number. Personal toll calls and long distance calls may be made using a personal assigned pin number. Pin numbers are obtained by contacting the Business Office.

**Car Registration**

All vehicles that are regularly parked on campus must be registered with Campus Security. Parking permits are issued by this office. Employees may register up to two vehicles; however, only one vehicle may be parked on campus at a time.

**Parking**

Vehicles are to be parked only in the designated paved parking areas available to employees. Parking is not permitted in specially designated areas, reserved areas, or handicap parking zones. Citations for violations are issued by Campus Security.

**Keys**

Distribution and duplicating of keys is controlled by Campus Security. All requests for keys must be submitted to Campus Security with the appropriate signatures. Employees leaving employment with Elizabethtown College must surrender their keys and ID card to Campus Security.

**Clery and Campus Security Report**

**Conference Rooms**

Scheduling of conference rooms must be worked through the Coordinator of Campus Events & Scheduling.

**Official Communication Policy**

Students, faculty, and staff should expect to receive official Elizabethtown College communication through:

- College-issued campus mailboxes
- College-issued phone numbers (extensions)
- College-issued email addresses

Members of the campus community should check these modes of communication frequently for important information from the institution. On some occasions, communications may be sent via U.S. mail service to a permanent home address or a home telephone number via the information individuals provide to the College.

**Emergency Communication**

In the event of a life-threatening or potentially catastrophic situation, the College’s EMG will distribute time-sensitive emergency notices through EC Alert via:

- Calls to employees’ cellular and office phone numbers;
- Text messages to cell phones, PDAs and other text-based devices;
- E-mail messages to employees’ College e-mail account; and Messages to TTY/TDD receiving devices for the hearing impaired.
- The College’s EMG also will post a message on the College Emergency Hotline and on the College’s Emergency Action Plan website.
When it snows or when weather conditions become extreme, these procedures and principles are in effect for all students (residential, commuter, or evening) and employees of the College:

Regular day classes will normally meet as scheduled. On an individual basis, classes may be canceled or postponed if a faculty member is unable to get to the Elizabethtown, Lancaster, or Harrisburg campuses safely. Faculty members are requested to notify their departments, the Provost’s Office, and Campus Security of any cancellations or postponements.

Unless otherwise indicated, Elizabethtown administrative and department offices will remain open. Residence halls and Dining Services will remain open during weather emergencies.

All employees are expected to report for work, even if they have to be late, after a snowstorm or during inclement weather. If, for safety or personal reasons, an employee cannot reach the campus, the employee is expected to call his or her supervisor to report that fact.

If extreme weather occurs or is predicted, the Director of Facilities Management will consult the senior College officer on duty no later than 6 a.m., review the situation, and make any recommendations for adjustments in the schedule. Three types of schedule changes are possible, in order of desirability:

1. DELAY: The normal schedule of classes and work is delayed for a specified period of time. Classes scheduled during the delay will not meet, but all other classes will.

2. STAFF DELAY: Classes meet as regularly scheduled, but the opening of administrative department offices is delayed for a specific period.

3. CLOSED: No classes are held and all administrative and department offices are closed.

In all cases, Facilities Management, Campus Security, and Dining Services staff report as scheduled. If the College closes, full-time and part-time permanent employees will be paid for their normal hours they would have typically worked that day in addition to actual hours worked. If the decision is made to cancel or postpone classes or close the College, the senior College officer on duty will notify the Director of Communications, who will notify the campus community and local media.

Decisions whether evening classes meet are made by the Provost and Dean of the School for Continuing and Professional Studies in consideration of severity of conditions with each storm. If the Dixon University Center closes, Elizabethtown College classes scheduled there are canceled.

In cases where special on-campus events are expecting off-campus guests, announcements about any changes in the scheduling of these events will be made through the media by the Director of Communications, who will also notify the Campus Switchboard.

Exceptions may have to be made to these procedures.

After a snowstorm or during inclement weather, any weather-related schedule changes for classes (other than SCPS classes)—cancellations, delays or early dismissals—will be announced electronically via a special Campus News announcement to faculty, staff and students. In addition, updates will be posted
on the official College Facebook and twitter accounts, the College website and the Elizabethtown College Hotline (717-361-1988). While announcements via local radio and television stations also may be made, members of the campus community are encouraged to first check their College email box, the website and the Hotline. Student media, WVEC and ECTV will also be notified. Local media will also be contacted: WGAL-TV Channel-8 and WHTM Channel 27; radio - WITF 89.5FM; WSBA 910AM; WARM 103FM; WHP 580AM; WKBO 1230AM; WRVV 97.3FM; WDAC 94.5FM.

Early dismissals due to weather conditions will be made by the senior College officer on duty. In such event, voice mail and email will be used to contact offices and departments. The Director of Communications will notify the campus switchboard of any decisions regarding weather, but please call the campus switchboard only as a last resort.

### Snow Pay Provisions

#### Essential Personnel
Employees identified as essential personnel (normally assigned by the supervisor) are required to report or remain at work during a college closed down period. Employees working in the areas of Dining Services, Campus Security, and Facilities Management are typically identified as essential personnel.

Essential employees are not required to report to work during a college closed down period if the day is their normal scheduled off day.

If an essential employee is told to stay home or leave work early during a closed down period (for safety reasons or lack of work), the employee will be paid SNO pay (straight time) only up to their regular shift hours for the closed down period.

If, by their own choosing, an essential employee does not report or remain at work during a closed down period, the essential employee will be required to use vacation time or personal time to make up their normal work week. Essential employees also have the option of taking unpaid time rather than use vacation time or personal time.

Essential employees are paid straight time (SNO time) for hours worked during the closed down period through the employee’s normal work shift, plus straight time for all hours worked during and beyond the closed down period.

Essential employees out on family medical leave will be paid for the closed period equal to their normal shift.

**Upon supervisor discretion** an essential employee who becomes ill and leaves work early may be permitted to use sick time.

An essential employee who calls off sick for the day and produces a doctor’s excuse will be permitted to use sick time.

In all cases, closed down hours do not count towards overtime hours. Only physical hours worked accumulate towards overtime.

#### Non-essential Personnel
Employees identified as non-essential are not required to report or remain at work during a college closed down period.

Non-essential employees who subsequently report or remain at work during a college closed down period will be paid only for hours worked during the employees normal work shift. Hours worked outside the employees normal work shift, before or outside the college closed period, are not paid hours.
Long-term temporary employees (beyond one year of assignment) will be paid for the closed period equal to their normal shift.

Non-essential employees out on family medical leave will be paid for the closed period equal to their normal shift.

**Emergency Action Plan**

All Elizabethtown employees are responsible for supporting the College’s Emergency Action Plan. Therefore, every employee should have an understanding of the contents of the plan and should be alert and responsive to campus emergency notifications.

During an emergency, Elizabethtown College’s response is managed by the Emergency Management Group (EMG), which is under the direction of the President of the College or his/her designee. In the event of an emergency, the EMG will distribute notifications to the campus community, providing background about the emergency and/or instructions about actions that community members should take to protect themselves and others.

Typically security and safety notices will be distributed to the campus through a campus-wide e-mail notification, a voicemail message to on-campus telephone mailboxes, and/or a posting on the College’s website. Employees should heed advice provided through these alerts.

In the event of a life-threatening or potentially catastrophic situation, the College’s EMG will distribute time-sensitive emergency notices through EC Alert via:

- Calls to employees’ cellular and office phone numbers;
- Text messages to cell phones, PDAs and other text-based devices;
- E-mail messages to employees’ College e-mail account; and Messages to TTY/TDD receiving devices for the hearing impaired.
- The College’s EMG also will post a message on the College’s Emergency Hotline and on the College’s Emergency Action Plan website.
**APPENDIX A**

**Hourly Sick, Vacation, and Personal Time Schedules**

**Non-office hourly employees** include Facilities Management, Campus Security, and Dining Services employees and time is based on a regular work week of 40 hours. Part-time employees with regular schedules, such as 40 hours per week for 9 months would be considered 75%; 20 hours per week for 12 months would be 50%; etc.

**Office hourly employees** include department assistants and other hourly employees who work a regular work week of 37.5 hours. Because a large number of office personnel are 75% of full-time (for instance, nine-month Administrative Assistants), their leave is listed below.

Leave for **part-time, regular** employees (20-40 hours per week) is calculated individually and based on hours worked as compared to full-time hours.
