Academic Advising

Mission and Major Functions

Mission Statement

The office of Academic Advising is dedicated to the pursuit of academic excellence and welcomes all who share this passion. We assist students in the development of meaningful educational plans compatible with their life goals. Our services supplement and support the faculty advising system, the primary advising tool on campus. A holistic approach is used by addressing students’ intellectual, emotional, and physical needs. We wish to inspire in students the value of hard work, fair play, develop confidence, consideration for others, and a sense of leadership and global citizenship.

Functions of the Unit

1. Explore academic interests and aspirations.
2. Navigate through the curriculum and academic programs.
3. Connect students with faculty who share similar academic interests.
4. Build student course schedules and register for classes.
5. Provide the necessary resources to help you succeed.

Kinesis Peer Academic Advisors for the Momentum Program of Academic Advising

Mission of the Sub-Unit:

Kinesis students assist Academic Advising by serving as Peer Academic Advisors to Momentum students. Kinesis meet individually with their Momentum advisees to discuss interests, aspirations, and find creative solutions to problem solving. They serve as role models of academic excellence and leadership development for students who are first generation, from diverse backgrounds, or from socio-economically underrepresented communities. Kinesis introduce Momentum students to liberal learning, to the world of ideas, to the life of the mind, and to the habit of life-long learning.

Functions of the Sub-Unit

1. Mentor Momentum students in their transition from high school to college and lay the foundation for the peer academic advising relationship focusing on discernment of major/minor, purpose, vocation, and calling.
2. Meet weekly with Momentum mentees throughout the year to review and interpret course expectations and develop a plan of action for mastering the course objectives, meeting assignment requirements and deadlines, and employing time management strategies.
3. Encourage Momentum students to make effective use of campus resources, advising relationships, and extra-curricular opportunities.
4. Meet on a regular basis with the Director of Momentum and the Kinesis Captain to address any concerns students may have and to chart the students’ progress.
5. As a group, the Kinesis work toward maintaining a sense of community and developing open lines of communication and interaction among all the cohorts of the Momentum program to facilitate a mentoring community among all Momentum students on campus.
Office of Admissions

Mission and Major Functions

Mission Statement

The role of the Office of Admissions is to attract and enroll diverse and qualified new students in ways that are consistent with the goals and mission of the traditional day program of Elizabethtown College.

Functions of the Unit

1. Adhere to the five-year enrollment plan.
2. Counsel prospective students and families in finding the right fit college.
3. Accurately portray the character and offerings of Elizabethtown College to prospective students, their families, and student influencers.

Enrollment Management

NOTE: While it is not a unit in and of itself, Enrollment Management is affiliated with the Office of Admissions. Both are overseen by the Vice President for Enrollment. The Enrollment Management “Unit” is made up of community members who impact or are informed by enrollment status and outcomes.

The role of Enrollment Management is to monitor and assess retention and projection activity and, based on those findings, make recommendations related to policy and programming in the traditional day program of Elizabethtown College.

Major functions of Enrollment Management

1. Monitor retention and enrollment
2. Project retention and enrollment
3. Recommend policy and programming to influence retention and enrollment
4. Contribute to discussions of institutional positioning and vision for the College.
5. Adhere to the Five-Year Enrollment Plan
Advancement

Mission and Major Functions

Mission Statement

The mission of the Office of Institutional Advancement at Elizabethtown College is to build and sustain positive relationships from multiple constituencies that result in philanthropic support in the form of time, talent and/or treasure. Campus sustainability and growth is supported by successful cultivation, engagement, and stewardship that ensures the strength and growth of academic and related programs, financial aid, and capital projects. The five areas and major functions upon which relationships are built are:

Functions of the Unit

1. **Development**: Works to increase philanthropic support (time, talent and treasure) of the College through annual giving, major gifts, planned giving, foundation grants, and corporate gifts.
2. **Alumni Relations**: Develops and implements programming intended to foster new, and nurture current, relationships between Elizabethtown College Alumni and Elizabethtown College. 
   
   NOTE: This sub-unit has its own mission, functions and UPS (see below).
3. **Church Relations**: Upholding the values of Elizabethtown College’s founders—peace, justice and human dignity—this Office serves as the bridge between the College, Church of the Brethren Districts, and other individuals and groups interested in the work of the College and the Young Center for Anabaptist and Pietist Studies.
4. **Community Affairs**: Actively engages the College with the community through the development of thoughtful and engaging programming.
5. **The High Center for Family Business**: One of the largest resource centers for family businesses in the nation, the High Center empowers entrepreneurial families who are estimated to own 80 percent of businesses in the United States, by providing family businesses with thought-provoking educational programming.

The **Office of Alumni Relations** (OAR) is Elizabethtown College’s relationship center for, and connection point with, members of the Elizabethtown College Alumni Association (ECAA). In all that we do, our aims are to foster mutually-beneficial relationships between members of the campus community and the ECAA. With a focus on recruiting, motivating and guiding alumni to share their time, talent and treasure in support of Elizabethtown’s programs, we dedicate ourselves to providing members of the ECAA with programming that encourages members to:

- Reflect on their time at Elizabethtown College and with its community,
- Connect with the campus community and fellow members of the ECAA, and
- Engage with opportunities that make a positive impact on the College’s present and future.

Functions of the OAR Sub-Unit

1. Oversee, administer and develop all operational facets of the ECAA.
2. Develop and implement programming intended to foster new, and nurture current, relationships between members of the ECAA and the Elizabethtown College.
3. Develop and implement initiatives that connect alumni with on-campus offices and programs in support of Elizabethtown College’s educational and operational enterprises.
4. Maintain private and secure information about and for all members of the ECAA.
5. Develop and implement initiatives that build positive relationships with current student members of the campus community in support of future alumni engagement.
Blue Jay Athletics

Mission and Major Functions

Mission Statement

The mission of the Blue Jay intercollegiate athletics program is to provide Elizabethtown College students with varsity sport programs that support and enhance the students’ educational experience and develop important life skills. In our pursuit of excellence, we place the highest value on the principles of integrity, student-athlete welfare, sport and gender equity, sportsmanship and fair play.

Functions of the Unit

1. Sponsor a competitive athletics program that supports the College’s academic mission, models the NCAA Division III philosophy, and is compliant with both NCAA and Conference rules and regulations.
2. In partnership with the Admissions Office staff, be actively engaged in the recruitment of 22 percent or more of each year’s freshmen class.
3. Provide over 415 student-athletes with significant and sustained mentoring, coaching, and leadership development programming.
4. Develop athletic, recreational, and fitness facilities that accommodate the needs and interests of current students, faculty, and staff; and attract new students and employees to the College, and generate revenue for the College.
5. Generate revenue for the athletics program, as well as the College.
