

ABOUT OUR COMMENCEMENT CARD PACKAGE

Introducing our Elizabethtown College branded Commencement Card Package, designed to make your graduation celebration effortless and memorable. With our easy-to-use order form, customizing your announcements and party invitations is as easy as 1-2-3.

Step one: select your front design from our collection, ranging from traditional, to classic or modern styles. Step two: choose a message design to add a personal touch. Then, step three: explore our accessory options, including envelope seals and return address labels.

Simply scan the QR code or go to etown.edu/gradannouncements and select your design options. Make sure all the custom information for the card has been provided. Don't forget to email digital image files needed for any modern or classic design, and our dedicated team will ensure seamless integration into your design.

Our announcement cards and party invitations are 5"x7", printed double-sided on high-quality 100# smooth white cardstock. Traditional design cards are folded, and our modern or classic designs are flat. Meticulously crafted on campus

by Elizabethtown College's Print Services staff and student workers, ensuring quality control and attention to detail every step of the way.

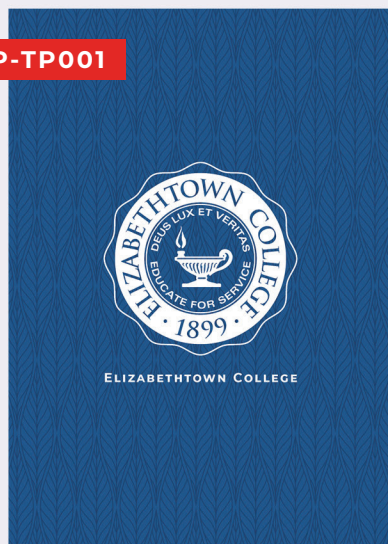

Each pack of announcements and party invitations includes 25 cards, complete with white A7 envelopes and adhesive envelope seals for a polished presentation. Choose to have your envelopes printed with your return address or opt for blank envelopes with adhesive return address labels for added convenience.

Packages start at \$45 per pack of 25, offering exceptional value for a personalized touch to your graduation festivities. For an additional \$20 fee you can add Folded 5.5"x4.25" thank you cards with ample space for a personalized message on the inside. Thank you cards have a traditional design and come with white A2 envelopes and envelope seals based on the announcement or party invitation selections. The standard tax rate applicable to all orders is in accordance with Pennsylvania tax regulations.

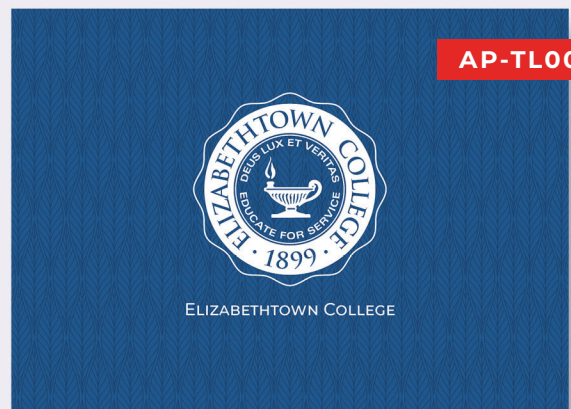

If shipping is required, trust Elizabethtown College's Mail Services to deliver your items via USPS for a nominal fee of \$10 or you can pick up at Print Services at no extra cost.
