- When you start a printing order you have the option to check Confidential under the # of copies needed section.

CAN I HAVE MY ORDER PRINTED SAME DAY OR NEXT DAY

- When you start a printing order you have the option to check Rush under the # of copies needed section.

- Selecting Rush when you start the ordering process will give you the ability to pick any date on the calendar instead of the assigned turnaround time programmed for that print category.
- There's an additional fee for all rush orders. The rush fee is 20% of your order total.

Please feel free to call us at 717-361-1122 or email copy@etown.edu if your question was now listed in this document. A member of Print Services staff will be happy to assist you.
