Scheduling Protocols Wolf Field

Campus departments and approved student groups wishing to schedule Wolf Field must submit a request via the 25Live scheduling website at: <http://schedule.etown.edu>. Once a request is received, the following approvals will be obtained by the Scheduling Office.

- During the academic year, the director of athletics (or his/her designee) must approve reservations for all events scheduled on Wolf Field. The director of athletics reserves the right to postpone or cancel events due to turf conditions.
- During the summer months, the director of facilities management (or his/her designee) must approve reservations for all events scheduled on Wolf Field. The director of facilities management reserves the right to postpone or cancel events due to turf conditions.

Approval of events on Wolf Field is based on the following criteria established by the field manufacturer and the warranty:

- Heavy loads exceeding static load of 3 psi and dynamic load of 35 psi are prohibited
- Vehicles with non-pneumatic tires are prohibited
- Only non-licensed vehicles needed to maintain the field and support events are permitted
- Parking on the field is prohibited
- Helicopter landings are prohibited
- Smoking and open flames are prohibited
- Golf, shot putting, javelin, archery and discuss throwing are prohibited
- Metal-spiked shoes are prohibited
- Storage of materials on the field is prohibited

Activities on Wolf Field are limited to the following:

- Athletic practices and competition
- Intramurals
- Student open recreation
- Non-athletic activities that have been approved by the presiding director

Snow removal on Wolf Field will be managed by Facilities Management in accordance with the field manufacturer's procedures to minimize the risk of damage to the field and voiding of the warranty.
