Undergraduate Fellows in 
ETHICAL LEADERSHIP

Interfaith Leadership  |  Justice and Peace Leadership  |  Servant Leadership  |  Social Entrepreneurship Leadership

**FIRST YEAR**  
Build your Network and Set Goals
- Participate in networking events with other undergraduate fellows and faculty and staff supporters (you can view the list of faculty/staff supporters at [www.etown.edu/ugfellows](http://www.etown.edu/ugfellows))
- Discover how leaders can help to change the world and why interfaith leadership, justice and peace leadership, servant leadership, and social entrepreneurship leadership are integral to the identity and mission of Elizabethtown College
- Learn about the variety of prestigious scholarships and fellowships available and the pathway to being a competitive applicant

**SOPHOMORE YEAR**  
Peer Challenge, Critique, and Support
- Participate in networking events to share leadership success stories and challenge your peers
- Learn more about yourself and your leadership by taking personal style and leadership skill inventories
- Develop your leadership potential through group mentoring with a faculty or staff supporter and other undergraduate fellows to set goals for your purposeful life work and leadership and to discover the wide variety of ways you can integrate each of the four areas (interfaith leadership, justice and peace leadership, servant leadership, and social entrepreneurship leadership) as you discern an academic major, add a second major, select a specific concentration within a major, or add academic minors
- Find opportunities for leadership that fit your passions, talents, gifts, and skills

**JUNIOR YEAR**  
Develop Clarity about Deep Purposes in Life and Work
- Participate in networking events to share leadership success stories and challenge your peers
- Mentor with a faculty or staff leader to create a plan for purposeful work as a leader through deep exploration of what you think matters and the way you really want to integrate leadership into life and work
- Engage in peer mentoring with other undergraduate fellows to problem solve issues in your club, group, athletic team, or community leadership and to share feedback on job shadowing, internships and career-related volunteer service
- Participate in site visits to local organizations to learn more about internship and job possibilities

**SENIOR YEAR**  
Put Your Plan into Action
- Participate in networking events to share job leads with other undergraduate fellows and to continue networking with faculty and staff supporters
- Mentor a first-year Undergraduate Fellow in Ethical Leadership
- Participate in site visits to local organizations to continue networking
