

First-Year **PATHWAY**

ETOWN
ELIZABETHTOWN COLLEGE

etown.edu

First-year students, including new transfer students, at Elizabethtown College should follow the First-Year Pathway to successfully navigate their transition to Etown with confidence. Complete the milestones, think about the questions, and set yourself up for success.

New Student Orientation

Enjoy meeting your peers, learning about Etown, and exploring this new community during New Student Orientation.

School Welcome Sessions

During your first week on campus, you'll get to meet the Dean along with faculty from your School. Please know your faculty are available to provide extra support to help you succeed!

Exploration Station

Learn about your skills, strengths, and interests as well as the resources available to assist you in working toward and clarifying your path and purpose.

Advising Day and Majors & Minors Fair

Learn about the many majors and minors that Etown offers. Meet with faculty in your intended major for advising and to create a plan for course registration.

Course Registration

Prepare to register for your next semester's courses by participating in a peer mentor-led Jay Chat, using the degree and core planners, and meeting with your School faculty and academic advisor.

Spring Advising Connections

Transition to your new academic advisor in your intended major. Exploring students will work with an advisor from the Academic Advising team. You'll work with your advisor to meet your academic goals.

YOUR SUPPORT TEAM AT ETOWN:

Supporting Peers (Peer Mentor, RA, Ubuntu, Kinesis, Tutor, etc.):

First-Year Seminar Faculty Contact: _____
