MAKING THE WORLD BETTER ONE IDEA AT A TIME
Welcome to Elizabethtown College’s 11th Annual Scholarship and Creative Arts Days!

Real-world learning is one of the hallmarks of the Elizabethtown College experience. Students who conduct original research, create artistic expressions and discover new perspectives learn more deeply and gain real-world skills. This year, SCAD features some of the most outstanding work of our students from 2017-2018. As a result of their hard work and superb mentoring by faculty advisors, these students are becoming a bigger part of the world—contributing fresh ideas and acquiring experiences that will help them build their careers. We congratulate and recognize our scholars for their outstanding efforts that have culminated with their participation in this prestigious student conference.

We are grateful to the Scholarship and Creative Arts Days committee and the dozens of faculty mentors who have made this scholarly celebration possible. By fostering the College’s commitment to undergraduate research, these members of our community have created this remarkable forum for sharing scholarship and creative thinking.

TRANSLATIONS

Blute nur, du liebes Herz
The soprano sings this aria after Judas agrees to betray Jesus to the Pharisees.

Only bleed, you beloved heart!

Oh, a child that you brought up,
that nursed at your breast,
threatens to murder the guardian,
for (the child) has become the serpent.

Translation: Richard Walters

Bella siccome un’angelo
Don Pasquale is searching for a wife. Doctor Malatesta describes the wonders of Norina,
trying to convince Don Pasquale to marry her
(since Malatesta will benefit from the match!).

A soul innocent and ingenuous
that ignores itself.

Modesty incomparable,
goodness that makes one fall in love.

To the poor piteous,
gentle, sweet, loving!

Heaven made her be born
to make a heart beat!

Translation: Robert Glaubitz

Kathleen Kennedy Townsend has a long history of accomplishment in the public arena, and for the last six years she has been making her mark in the private sector. After two years at Lehman Brothers, she is now a senior advisor at a hedge fund run by the former treasurer of the World Bank. In the public sector, she held a variety of roles but also worked on important issues such as public safety, improving access to higher education, and the importance of public service. As Lt. Governor of Maryland, the first woman in this role, Townsend had direct command over a variety of major cabinet departments. In her previous role as U.S. Deputy Assistant Attorney General, she worked diligently on the Police Corps, a program granting higher education scholarships to those who pledged to work as police officers. Townsend is a member of the Council of Foreign Relations, the Inter-American Dialogue and serves on the boards of the John F. Kennedy Library Foundation, the Robert Kennedy Memorial, and the Brady Campaign. She is the author of *Failing America’s Faithful: How Today’s Churches Are Mixing God with Politics and Losing Their Way* (2007). She has taught at the University of Pennsylvania, the University of Maryland, and St. Mary’s College (MD) and is currently a visiting fellow at Harvard Kennedy School of Government and adjunct professor at Georgetown University’s McCourt School of Public Policy. She has appeared on *Meet the Press*, *The Colbert Report*, *Larry King Live*, and *On the Record with Greta Van Susteran*. She is the eldest child of U.S. Senator and Attorney General Robert F. Kennedy and Ethel Kennedy.
The Courage to Care, the Strength to Serve

Marking the 11th anniversary of Scholarship and Creative Arts Days (SCAD) — the SCAD committee is pleased to announce that Kathleen Kennedy Townsend will be our 2018 Keynote Speaker.

Kathleen Kennedy Townsend, former governor of Maryland and the daughter of Robert F. Kennedy will present her keynote address entitled “the courage to care, the strength to serve” on April 24, 2018 at 11 am in Gibble Auditorium. She will discuss her pioneering efforts to incorporate community contribution and service into the educational model for the curricula of the state of Maryland, as well as the importance and significance of service in education.

Anna Carper Excellence in Library Research Award
2017-2018

In 2009, the High Library, in honor of its 20th anniversary, inaugurated the Anna Carper Excellence in Library Research Award. The purpose of the program is to reward excellent scholarship by students enrolled in the First-Year Seminars who make valuable use of the print and electronic collections of the High Library as well as other available information resources. The Anna Carper Excellence in Library Research Award is supported by an endowment funded by the Carper Family and named after Anna M. Carper ’41, Librarian of the College from 1960 to 1986.

Congratulations to this year’s co-winners!

GRACE GIBSON

“Cocaine and the Dopamine Hypothesis of Addiction.”
She was in Dr. Thomas Hagan’s First-Year Seminar, Gotta Have It: Exploring the Science of Addiction.

“As a member of Dr. Hagan’s “Science of Addiction” course, I had a challenging but ultimately rewarding FYS experience. My seminar allowed me the opportunity to explore the complex and multi-faceted topic of addiction via many different disciplines, which I believe will help me as I proceed with my education and my career. Writing my course paper was the culmination of my academic achievements in varied disciplines, as it required the synthesis of many scientific publications into a clear narrative. I am grateful to Dr. Hagan for the conclusions he helped me to reach, both within and outside of my paper, and for his role in advancing my education.”

MATTHEW SMITH

“Militarism as a Theme in Nazi Education and Youth Organizations.”
He was in Dr. Brian Newsome’s First-Year Seminar, World War II.

“My First-Year Seminar on World War II with Dr. Newsome taught me about the true effects of war not only on those fighting in Europe and the Pacific but also on the civilian populations that were affected by the fighting and on fringe political movement of the 1930s and 1940s. My research drew on a series of both primary and secondary sources that present and analyze the effects of Nazi militarism on children, especially in relation to their experiences in school and in the state-sponsored youth organizations.”

Special thanks to this year’s judges:
Dr. Chelsea Schields, Assistant Professor of History
Ms. Catherine Daubenspeck, English Dept. Faculty Member
Dr. Tomas Estrada, Assistant Professor of Electrical Engineering
Mr. Joshua Cohen, Instruction and Outreach Librarian
Congratulations to Kristen Wade ‘19, winner of the 2018 Scholarship and Creative Arts Day program cover contest!

Artist Statement: E-town's Scholarship and Creative Arts Day celebrates the amazing initiatives of all of the members of our Blue Jay community. It is a day when all of our feathers come together to showcase our excellence.
