

Susquehanna Valley Ministry Center ACTS Courses 2026-27

NEW INSTRUCTIONS TO REGISTER AND PAY FOR ACTS COURSES

- Review your ACTS transcript and ACTS Handbook to determine which courses you need for the 2026–27 cycle.
- Each course below includes a **REGISTER HERE** link. Use that link to register for **each course individually**, and be sure to select the registration option that matches your district and your specific situation so your payment is processed correctly.
- You may pay by credit card or by check. You are welcome to register for all courses now and submit payment by check later. If your congregation provides financial assistance, please ensure they understand the payment process.
- All payments are due by the first session of each course. If you cannot meet that deadline, please contact us—we will work with you.
- The registration deadline is one month prior to the first class.
- Please note that **SVMC will no longer send invoices to students.**
- Contact SVMC with any questions: KarenHodges@SVMCcob.org, AudreyHollenberg-Duffey@SVMCcob.org

Hybrid = If your district has a hub for a course, you are expected to participate in person at the hub location. If your district does not have a hub for a course, you will participate online via Zoom.

Exceptions to this rule may be requested using the exemption form in the ACTS Handbook at least one month before the course begins.
