Pastoral Care & Crisis Intervention III

This course will begin immediately where Intervention II ends and will be building upon those basic skills. This training will now move the pastor into utilizing those skills within the larger context of the Congregational and Large Group setting.

This course will explore: -Vocabulary and Congregational/Group Dynamics during Crises -Listening Skills -Biblical Foundations -Understanding Large Group Dynamics -Congregational/Group Interventional Practice

Whether you are new to Pastoral Care or would enjoy refreshing those skills with new methods and skills, please consider attending these events.

We will be offering these events on two dates to accommodate persons working. Pastoral Crisis Intervention I and II are not prerequisites.
