

The Susquehanna Valley Ministry Center continues to fulfill its mission to equip leaders for ministry. Five partnering districts, as well as Bethany Theological Seminary and the Church of the Brethren, support SVMC to fulfill its mission. SVMC lives into this mission by providing educational opportunities through the Academy Certified Training Systems (or ACTS) and continuing education events. While these courses and events are a part of the credentialing and recredentialing process for ordination, they are also available to anyone.

SVMC is dependent upon the support of districts, congregations, and individuals.

Please consider supporting SVMC by:

- praying for our staff, partners, students, and instructors,
- calling out the gifts and skills for ministry you see in others,
- attending a continuing education event or participating in a course, and
- giving financially so that we can keep our tuition and fees affordable.

You may give by mailing a check to the following address:

Susquehanna Valley Ministry Center  
One Alpha Drive  
Elizabethtown, PA 17022

You may also give online. Go to the intro on our [Facebook page](#) for the link to our donation page (We do not have our link on this website, so that donations to SVMC do not get confused with donations to Elizabethtown College).

Thank you for your support!
